CHAIRMAN MESSAGE

Dear Members,

It is my privilege to write to you and present the Annual Report of your Company for the financial year 2024-25.

I hope this letter finds you safe and in good health.

My letter of introduction to your Annual Report last year that demonstrate the difficulties faced by the business and performance delivered in difficult circumstances. The Rice industry has always been considered by its fluctuating nature, but the combination of various factors in recent times such as climate change and geopolitical fears have kept the level of volatility in the industry.

This year, despite of continuing challenges ahead, the Company has delivered optimum operational results while continuing to invest for the future.

We are committed to doing all this in a way that drives long-term shareholder value by creating shared value for all of our stakeholders, including customers, associates, suppliers, business partners, and communities.

The Indian Basmati Rice is presently at the crossroads with domestic demand remaining low to consistent almost at par with the last year & with one of the

all-time high crop size last harvests, there is now large volumes of unsold carry forward stocks available. Due to the adverse geopolitical situation with ongoing wars in the Middle East & Ukraine Russia, the world has been pretty disturbed over the last 1 year. The Indian Basmati Rice market has been equally bumpy, we have had good crop, but the prices first had steep rise and later dropped at the same speed, which disturbed most of the basmati rice traders, who were sitting on volumes and wanted to earn easy money. To the contrary in the international markets, the prices were stable and demand normal; the steep rise and fall of prices in the domestic do not have much bearing for established brands like 'Kohinoor'. Overall, while the value of basmati rice exports may have risen due to higher costs, but the quantities have come down, which is quite normal as exports of Indian basmati rice last year to Iran has also come down due to political disturbances. The recent Tariff war is posing yet another challenge to the India Basmati exports to the USA with preferential treatment to our business rivals Pakistan.

The global Ready-to-Eat food market is poised for robust growth, fueled by evolving consumer lifestyles, health awareness, and technological advancements. Regional markets display unique characteristics and growth drivers, with Asia-Pacific and North America leading expansion. Companies that innovate in health, convenience, and sustainability while adapting to regional tastes and regulations will thrive in this dynamic and competitive landscape.

The global Ready-to-Eat food market size was valued at approximately USD 189.1 billion in 2024 and is expected to grow to USD 269.4 billion by 2033, registering a CAGR of 4.01% during the forecast period (2025-2033).

Ensuring consistent quality and food safety remains a critical challenge for RTE food manufacturers in India. Consumers are increasingly discerning about the ingredients used, nutritional value, and hygiene standards of RTE products. Manufacturers are investing in advanced processing technologies, stringent quality control measures, and adherence to international food safety standards. There is also a growing trend towards transparency in labeling, highlighting nutritional information and ingredient sourcing to build consumer trust. Innovation will focus on health, convenience, sustainability, and personalized nutrition. Increasing use of AI and data analytics will help tailor products to consumer preferences. Sustainable packaging and transparent sourcing will become standard expectations.

In late 2017-18, we set a goal to overcome from the financial crises and work towards regaining the glory of your company, which requires time, courage and trust and encourages others to work towards the same goal. The Board reinforced this commitment in 2024-25, which sets forth our key goals and strategies towards overcoming the situation.

Your Board is committed to maintaining highest standards of corporate governance and will continue to review and strengthen these practices and your Board endless efforts towards strategic

transformation during this time of rapid change. Where, it gives confidence that the Board experience to serve our company and to continue to guide us in the years to come to meet the Company purpose – Building a brighter future for all –our fundamental and the role in supporting economic growth, contributing to prosperity, and helping customers achieve their goals.

Your Company achieved a total turn-over of INR 863.93 Million (Mn.) as against INR 950.97 Million (Mn.) of last year, the rice business turnover stood at INR 5.81 Mn. as against INR 106.52 Mn. of last year, the food business turnover stood at INR 836.99 Mn. as against INR 836.72 Mn. of last year. The food factory has continued its operation effectively in spite of the liquidity problem which improved our production & revenues from food business.

Recently your company had added scaling up its operations. Exploring more potential in the food business to make best use of its marketing network and strengthen it further to regain the market share. Now your company has started direct exports to different countries for both rice and food products.

Nevertheless, Your Company have been started evolving with your trust and support, as in the last few years, your Company could not perform well because of financial constraint, ongoing economic pressure and pandemic. On the hindsight export market was low on sentiments & actual realization due to economic instability around countries beside our own constraint of business operation due to liquidity crunch. However Kohinoor is still striving to grow steadily and place its presence around world across renowned players.

KFL participates across nations and around world, under its few prestigious brands for sale of rice and processed & packed food business.

We further inform the members that with an objective to improve the financials of the company, your company is exploring the possibilities such as:

- a. Looking for Investor to infuse funds in the company.
- b. Executing with the Banks for restructuring of borrowings or settlement of loans.

The company is working aggressively on the said lines to improve its financial/business to achieve the seamless working.

With the objective of bringing authentic Indian flavours to the people all over the world, we want your company Kohinoor Foods Ltd. to become a leading name in the food business globally as well. In pursuit of our vision to make Kohinoor the most trusted & preferred food brand in export markets, we would continue to develop products, increase operational efficiency and follow our successful strategies.

I am grateful to the Board of Directors for their unwavering support and guidance. I also take this opportunity to express my gratitude to all our consumers, business partners, employees and stakeholders who have shown their trust in us and have extended their constant support.

I would like to take this opportunity to thank you for your continued trust, confidence, and support as we enter a brave new decade—one that is already rewriting the rules of the past.

With best wishes,

Sincerely
Sd/-

The food factory has continued its operation effectively which improved our production & revenues from food business inspite of the liquidity problem and Global Political Market hindrance.

Australia, USA, Canada are major markets for our range of processed & packaged food products.

Overview - Ready to Eat Industry

Food Business Overview

The Global Ready-to-Eat (RTE) Meals Market is segmented by:

- **Product Type:** Instant Breakfast/Cereals, Instant Soups and Snacks, Ready Meals, Baked Goods, Meat Products, and Other Product Types.
- **Distribution Channel:** Hypermarkets/Supermarkets, Convenience Stores, Online Retail Stores, and Other Distribution Channels.
- **Geography:** North America, Europe, Asia-Pacific, Latin America, and Middle East & Africa.

Ready-to-Eat Food Market Analysis

The global Ready-to-Eat food market size was valued at approximately USD 189.1 billion in 2024 and is expected to grow to USD 269.4 billion by 2033, registering a CAGR of 4.01% during the forecast period (2025-2033).

The RTE food sector is evolving rapidly due to shifting consumer preferences, technological advances, and various economic factors:

1. Market Growth Drivers

Rising Consumer Disposable Income and Higher Purchasing Power

- In As economies continue to expand, consumers are experiencing greater financial stability, enabling them to spend more on convenient and premium food products. According to the World Bank, global disposable income per capita has witnessed consistent growth over the past decade, allowing consumers to explore a wider variety of food options that offer both convenience and quality.
- This surge in disposable income has led to a shift in consumer preferences towards time-saving and hassle-free meal solutions. As more individuals can afford to purchase higher-priced, premium RTE products, manufacturers are capitalizing on this trend by offering diverse and innovative meal options that cater to various dietary preferences, including organic, gluten-free, and plant-based varieties.

2. Rapidly Expanding Retail and E-Commerce Channels

- Manufacturers are capitalizing on modern retail formats and digital shopping solutions to boost product visibility and accessibility as consumers continue to adopt them. The growing presence of supermarkets, hypermarkets, convenience stores, and online grocery platforms has made RTE food products more accessible, aligning with the fast-paced lifestyles of urban consumers.

- E-commerce, in particular, has transformed the food retail landscape by offering the convenience of purchasing RTE meals from the comfort of home. Currently, around 2.77 billion people worldwide make online purchases through dedicated eCommerce platforms or social media stores reflecting a growing preference for online shopping. This trend is further supported by rising smartphone penetration and improved internet connectivity, especially in emerging economies. Retail giants and digital platforms are capitalizing on this opportunity by expanding their RTE product portfolios, including frozen meals, instant snacks, and healthy meal kits.
- Working Couples, Parenting Millennials and Younger Population Living Apart from Families Staying apart from families to reduce down on the travel time, and at times due to employment in cities other than native cities, large number of younger population and working couples is following it as a common practice in India which is eventually resulting in a higher consumption of packaged and RTE food. The processed food business is driven by a higher need for convenience because of customers' busy lifestyles. There has been a progressive move away from the conventional paradigm of daily cooking because of the rise in the number of workers in developing nations like India as well as the tendency towards longer and more unpredictable working hours. Furthermore, because it boosts consumer purchasing power, rising disposable income is another element that significantly affects the expansion of the food market.

3. Restraints/Challenges

High Cost of Ready-To-Eat (RTE) Compared to Home-Cooked Meals

- Consumers, particularly in price-sensitive regions, often find RTE food items significantly more expensive than preparing meals from scratch. This cost disparity can be attributed to several factors, including the use of premium ingredients, packaging, processing, and logistics expenses.
- According to the Bureau of Labor Statistics, the average cost of a home-cooked meal in the U.S. is approximately USD4 per serving, while the cost of a single RTE meal can range from USD7 to USD15, depending on the brand and ingredients used. This price gap makes it difficult for many consumers, especially those from middle- and low-income groups, to justify frequent purchases of RTE products. Moreover, the perception that RTE meals offer less value for money when compared to freshly prepared home meals further limits market penetration.

Intense Market Competition Amongst Major Food Brands And Regional Players

- Large multinational brands are leveraging their robust distribution networks and established brand equity to maintain dominance, while regional players are capitalizing on local preferences and cost advantages. This competition is compelling manufacturers to innovate and differentiate their product offerings to capture consumer attention. Brands are increasingly investing in marketing strategies and product diversification to stand out, often introducing unique flavors, fortified ingredients, and health-focused formulations.
- However, maintaining competitiveness amid aggressive pricing strategies and promotional campaigns remains a significant challenge. Smaller and regional manufacturers often struggle to match the economies of scale enjoyed by industry giants, resulting in narrower profit margins. In addition, the emergence of private-label products from major retail chains is adding further pressure on branded products, as consumers increasingly opt for affordable alternatives without compromising on quality.

Quality and Safety Assurance

- Ensuring consistent quality and food safety remains a critical challenge for RTE food manufacturers in India. Consumers are increasingly discerning about the ingredients used, nutritional value, and hygiene standards of RTE products. Issues such as contamination, inadequate packaging, and improper storage can compromise food safety and tarnish brand reputation. To address this challenge, manufacturers are investing in advanced processing technologies, stringent quality control measures, and adherence to international food safety standards. There is also a growing trend towards transparency in labeling, highlighting nutritional information and ingredient sourcing to build consumer trust.

Ready-to-Eat Food Market Trends

- Surge in Demand for Convenient and Healthy Instant Food
- The US, Germany, and the UK are major established markets, while Asia-Pacific, the Middle East, and Latin America are emerging as growth hotspots.
- Busy lifestyles among working professionals, students, and bachelors increase demand for instant meals and snacks.
- Disposable and sustainable packaging enhances product convenience and appeal.

Asia-Pacific Dominance

- Asia-Pacific leads the global market due to urbanization, middle-class expansion, and rapid lifestyle changes.
- China and India are key growth markets, driven by rising demand for frozen and chilled ready meals.
- Consumers increasingly seek health-conscious and premium RTE options with variety in Flavors and formats.

Ready-to-Eat Food Industry Overview

- The market is highly competitive, with players engaging in product innovation, mergers & acquisitions, geographic expansions, and strategic marketing.
- Companies focus on product quality, taste, packaging, and price to differentiate their offerings.
- High profitability encourages innovation, including healthier, sustainable, and convenience-oriented product launches.

- Expected to reach INR 561.6 billion by 2032, growing at a CAGR of 14% (2024-2032).
- Growth factors include urbanization, increased disposable incomes, cold chain infrastructure development, and rising demand for convenience foods.
- Challenges include supply chain optimization and consumer education about frozen food benefits.

Quality and Safety Assurance

Ensuring consistent quality and food safety remains a critical challenge for RTE food manufacturers in India. Consumers are increasingly discerning about the ingredients used, nutritional value, and hygiene standards of RTE products. Issues such as contamination, inadequate packaging, and improper storage can compromise food safety and tarnish brand reputation. To address this challenge, manufacturers are investing in advanced processing technologies, stringent quality control measures, and adherence to international food safety standards. There is also a growing trend towards transparency in labeling, highlighting nutritional information and ingredient sourcing to build consumer trust.

Distribution and Logistics Challenges

Efficient distribution and logistics pose significant challenges in the RTE food market, especially in a vast and diverse country like India. Maintaining a cold chain for perishable RTE products, ensuring timely deliveries to urban and rural areas, and managing inventory effectively are crucial for market penetration and consumer satisfaction. Improving infrastructure, leveraging technology for real-time tracking, and partnering with reliable logistics providers are strategies adopted by RTE manufacturers to streamline distribution channels and enhance operational efficiency.

Future Outlook

Innovation will focus on health, convenience, sustainability, and personalized nutrition. Increasing use of AI and data analytics will help tailor products to consumer preferences. Sustainable packaging and transparent sourcing will become standard expectations.

Summary

The global Ready-to-Eat food market is poised for robust growth, fueled by evolving consumer lifestyles, health awareness, and technological advancements. Regional markets display unique characteristics and growth drivers, with Asia-Pacific and North America leading expansion. Companies that innovate in health, convenience, and sustainability while adapting to regional tastes and regulations will thrive in this dynamic and competitive landscape.

The management of the Company believes that it can continue as a going concern, based on the Resolution Plan and after Sanctioned one time settlement with the Banks by Company and the interest shown by Prospective Investors in the Company.

Macro-economic factors like recession, subdued demand and political uncertainty may affect the business of the Company and the industry at large as well. The Company is aware that uncertainties in business offer opportunities as well as downside risks and thus has identified and put in place mitigation tools for the same. Some key risk areas are:

Procurement risk

In a country like India, where more than 60 per cent of the area under cultivation is not irrigated, farm production is highly vulnerable to fluctuations in rainfall. Beside production risk, Indian farmers also face high market risk. Farm harvest prices in the country show high inter and intra year volatility. Price variation is quite pronounced in the regions and commodities where price support mechanism is not operative. Further adequate availability of key raw materials at the right prices is crucial for the Company. Being a generic natural product with low yield concentrated in a small region of the World, production of Basmati depends on the vagaries of nature. Therefore, any disruption in the supply due to a natural or other calamity or violent changes in the cost structure could adversely affect the Company's ability to reach its consumers with the right value proposition. However, we are ready with plans that might help us at such times. However, the Company's long term relationship with farmers built on trust ensures constant supply and thus over the years it has not faced any procurement problems. Also, adequacy of irrigation facilities in the Basmati producing regions mitigates these uncertainties.

High working capital requirement: Basmati rice requires to be aged for 9-12 months before selling, leading to huge working capital requirements. This results in low ROCE for the industry. Combating this risk, efficient working capital management system has been set in place by the Company and cash flow is monitored on daily basis.

Intense competition from unorganized sector: Another characteristic of this industry is the presence of unorganized sector offering basmati in loose unbranded form which intensifies competition. The Company is moving towards branded products and has invested significantly in building a strong brand which helps in differentiating their product.

Independent Auditors' Report

TO THE MEMBERS OF KOHINOOR FOODS LIMITED

Qualified Opinion.

We have audited the accompanying **Standalone** financial statements of Kohinoor Foods Limited ("the Company"), which comprise the Standalone Balance Sheet as at March 31st, 2025, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Cash Flow Statement and the standalone Statement of Changes in equity for the year ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, **except for the effects/possible effects of the matters described in paragraph under 'Basis for Qualified Opinion'**, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at March 31st, 2025, and its standalone profit/loss including other comprehensive income, its standalone cash flows and the changes in equity for the year ended on that date.

Basis for Qualified opinion

1. In reference to **Note No. 38** in the statement discloses the management's assessment of the company's ability to continue as going concern. The management's assessment of going concern is based on the OTS by the lead bank PNB and the interest shown by prospective investors in the company. However, in view of negative net worth and due to financial constraints, material uncertainty exists about the company's ability to continue as going concern and the decision of the management of the company to prepare the accounts of the company on going concern basis. There may arise a need to adjust the realizable value of assets and liabilities in the event of failure of assumption as to going concern.
2. As stated in **Note No.15 (C)** of Standalone Audited Financial Results, the company has not provided interest on bank loans to the extent of Rs.14596.38 lacs for the Current Year and Rs. 73227.25 lacs from the date on which the bank loans were classified as non-performing assets. Further, towards revoked corporate guarantee of the wholly owned subsidiary in USA, the company has not provided interest to the extent of Rs 284.20 lacs for the Current Year and Rs. 1209.84 lacs up to 31.03.2025 from the date of revocation of corporate guarantee in the books of account. Further no provision has been made towards penal interest, penalties, any other Debit or Credit etc. as may be done by lenders. In the absence of reconciliation and complete statement of account from the banks, the above amount has been arrived as per calculation made by the company. With the limited information the aggregate amount not provided in books of account of the company is not ascertainable with accuracy. However, the company has entered into revised OTS with Consortium of Banks and has paid substantial amount.

Emphasis of Matters

We draw your attention to the following matters in the Notes to the Financial statements:

- (1) The company has not made Provision for the demand raised by various authorities (Such as Income Tax, Vat etc.) as the matters are pending before various appellate forums. We are unable to comment upon possible impact of non-provision in the standalone financial statement for the year ended 31st March 2025.
- (2) We draw attention to **Note No. 15 (C)** of the statement of the company, The lead banker, Punjab National Bank has filed petition under section 7 of Insolvency and Bankruptcy Code, 2016, before the Hon'ble Court of NCLT. Chandigarh Bench, which is not yet admitted.
- (3) In reference to **Note no. 15 (C)**, The Secured Creditors (IDBI Bank) of the Company have filed petition under Section 7 of Insolvency and Bankruptcy Code, 2016, before the Hon'ble court of NCLT, Chandigarh Bench, which is yet to be admitted.
- (4) In reference to **Note no. 15(C)** to the standalone financial statement the Banks have classified the company's accounts as non-Performing asset and served recall Notice under section 13(2) & 13(4) of The Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002. The Company has given reply of said notices within the stipulated time. However, the Company has entered into One time settlement (OTS) with the lenders, as per the term and condition of the OTS, the company has deposited Rs 200 Crores with Banks. (Rs. 78.5 Crores till 31-03-2025 and Rs. 121.5 Crores on 15-04-2025).

However, the Company is planning to operate Rice manufacturing unit (on lease basis) at Kandla, Gujrat to sustain its Business.
- (14) In reference to **Exceptional items of Rs 382.74 crores**, based on the One Time Settlement by the Lender Banks, the OTS proposal amount was Rs 227.45 crores, the company has paid substantial amount of Rs 200 crores upto 15-04-2025, The Exceptional items of Rs 382.74 crores is on account of Gain on OTS.
- (15) In reference to **write off of MAT credit amounting to Rs 4.65 crores**, keeping in view of the future business prospect of the company, the company plans to opt for the new tax regime u/s 115 BAA. Considering this, the company has foregone the MAT credit amounting to Rs 4.65 crores and accordingly written off the amount in the books of accounts.

Our opinion is not modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition, the matters described in the “basis for qualified opinion” and “emphasis of matter” paragraph are by their nature key audit matters.

Responsibility of Management’s and Those Charged with Governance for the Standalone Financial Statements

The Company’s Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is responsible for assessing the company’s ability to continue as a going concern, disclosing, as application, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Thus, board of directors are also responsible for overseeing the company’s financial reporting process.

Auditor’s Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Report on other Legal and Regulatory Requirements

- xviii. There is no resignation of the statutory auditor during the year, therefore this clause (xviii) of the Order is not applicable.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. The company has incurred losses during the three immediately preceding financial years (2021-22, 2022-23, 2023-24) and hence, it is not required to spend any money under sub-section (5) of section 135 of the Act. Accordingly, reporting under clause (xx) of the order is not applicable to the company for the Financial year 2024-25. However, the Company's net profit during the current year exceeds the threshold limit of Rs. 5 Crores, therefore section 135 of the Act is applicable for the financial year 2025-26 and Company may need to spend money for the CSR activities in the financial year 2025-26.
- xxi. In standalone financial statements reporting under clause (xxi) of the order is not applicable.

Annexure – B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the standalone financial statements of the Company as of and for the year ended 31st March, 2025, we have audited the internal financial controls over financial reporting of Kohinoor Food Limited (hereinafter referred to as "the Holding Company").

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountant of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the ICAI and the Standards of Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain the reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree

of compliance with the policies or procedures may deteriorate.

Basis of Qualified Opinion

We draw our attention to paragraph of "Basis for qualified opinion" of our main report and the same to be read with our comments as stated below:

According to information and explanations given to us and based on our audit, the following material weakness has been identified as at 31st March, 2025.

1. The Company did not have an appropriate internal control system for
 - (a) Customer acceptance;
 - (b) Customer credit evaluation;
 - (c) Establishing customer credit limit for sales;
 - (d) Acceptance of goods by customers and transfer of risk & reward at the time of sales.

This could potentially result in the company recognising revenue without establishing reasonable certainty of ultimate collection.

2. The Company did not have any internal control system for follow-up/recovery/adjustment of old outstanding receivables and payables including balance confirmation and reconciliation.

A 'Material weakness' is a deficiency, or a combination of deficiency, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual financial statement will not be prevented or detected on timely basis.

Qualified Opinion

In our opinion, except for the effects/possible effects of basis of qualified opinion, the holding Company has maintained, in all material respects, adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of the March 31, 2025 standalone financial statements of the group and these material weaknesses does not affect our opinion on the standalone financial statements of the company.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENT

1. Company Information

Kohinoor Foods Limited was incorporated in 1989. It is a Public Limited company listed on the stock exchanges, BSE and NSE. The Company is a leading Basmati Rice player and has a Rice mill situated at Murthal, Sonapat. It also owns a Food Factory situated at Bahalgarh, Sonapat. The products of the company are known for superior quality and are popular worldwide.

The company has two 100% wholly owned subsidiaries – Sachdeva Brothers Private Limited, in India and Kohinoor Foods USA Inc in USA.

2. Significant Accounting Policies

(a) Basis of Preparation

These Financial Statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. The financial statements for the year ended March 31, 2018 were prepared by the company under Ind AS for the first time, with 01-04-2016 as date of transition.

The Financial Statements have been prepared on the historical cost convention on going concern basis and on accruals basis unless otherwise stated. The accounting policies are applied consistently to all the periods presented in the financial statements.

(b) Use of Estimates and Judgments

The preparation of Financial Statements requires management to make certain assumptions and estimates that affect the reported amount, the Financial Statements and Notes thereto. Difference between actual results and estimates are recognized in the period in which they materialize.

(c) Property, Plant and Equipment

The Company has adopted revaluation model for land & building. All the assets belonging to these classes of assets are carried at revalued amount being its fair value at the date of revaluation less subsequent depreciation. The Company shall carry out the revaluation of these assets periodically after every 3 to 5 years.

Property, Plant & Equipment under all other classes are stated at cost of acquisition/installation inclusive of freight, duties, and taxes and all incidental expenses and net of accumulated depreciation. In respect of major projects involving construction, related pre-operational expenses form part of the value of assets capitalized. Expenses capitalized also include applicable borrowing costs. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress" and stated at the amount spent up to the date of balance sheet.

Intangible assets are stated at their cost of acquisition.

(d) Depreciation

Depreciation on Property, Plant & Equipment is provided on written down value method, in terms of useful life of the Assets as prescribed in Schedule II to the Companies Act 2013. The depreciation rates which are different from the principal rates specified in Schedule-II are as follows: -

Tarpaulin	100% p.a.
Wooden & Plastic Crates	100% p.a.

(e) Financial Instruments

(1) Financial Assets

Initial recognition and measurement

All financial assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

Subsequent measurement

i) Financial assets carried at amortized cost

A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

Investment in Subsidiaries, Associates and Joint Ventures

The Company has accounted for its investments in Subsidiaries, Associates and Joint Venture at cost, subject to impairment loss if any.

Other Equity Investments

All other equity investments are measured at fair value. Investments which are not held for trading purposes and where the Company has exercised the option to classify the investment as Fair Value through other comprehensive income ('FVTOCI'), all fair value changes on the investment are recognised in OCI.

(2) Financial liabilities

Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognized in the Statement of Profit and Loss as finance cost.

Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(3) Derivative financial instruments

Derivative financial instruments such as forward contracts, option contracts and cross currency swaps, to hedge its foreign currency risks are initially recognized at fair value on the date a derivative contract is entered into and are subsequently remeasured at their fair value with changes in fair value recognized in the Statement of Profit and Loss in the period when they arise.

(f) Fair value measurement

The Company classifies the fair value of its financial instruments, FVTPL and FVTOCI, in the following hierarchy, based on the inputs used in their valuation:

- i) Level 1 - The fair value of financial instruments quoted in active markets is based on their quoted closing price at the balance sheet date.
- ii) Level 2 - The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques using observable market data. Such valuation techniques include discounted cash flows, standard valuation models based on market parameters for interest rates, yield curves or foreign exchange rates, dealer quotes for similar instruments and use of comparable arm's length transactions.
- iii) Level 3 - The fair value of financial instruments that are measured on the basis of entity specific valuations using inputs that are not based on observable market data (unobservable inputs).

(g) Dividend to Equity Shareholders

Dividend to Equity Shareholders is recognized as a liability and deducted from shareholders' equity, in the period in which the dividends are approved by the equity shareholders in the general meeting.

(h) Inventories

Raw materials, traded and finished goods are stated at the lower of cost and net realizable value. Stores and spares are carried at cost.

Cost is determined on FIFO (First in First out) basis for raw material, and on weighted average method for all other categories of inventories. Cost comprises expenditure incurred in the normal course of business in bringing such inventories to its present location and condition, where applicable, include appropriate overheads based on normal level of activity.

(i) Cash and Cash Equivalents

Cash and cash equivalents are short-term, highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

(j) Revenue Recognition

Revenue is measured at fair value of the consideration received or receivable, net of discount, rebate, returns and value added taxes. The Company recognizes revenue when the amount of revenue can be reliably measured; when it is probable that future economic benefits will flow to the entity; and when specific criteria have been met for each of the Company activities.

Revenue from sale of goods is recognized when all the significant risk and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, there is no continuing managerial involvement with the goods and the amount of revenue can be measured reliably. On recognition of revenue the Company retains no effective control of the goods transferred to a degree usually associated with ownership and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods.

Interest income is recognized using the effective interest method. Revenue in respect of Insurance / others claims, Commission, etc. is recognized only when it is reasonably certain that the ultimate collection will be made.

Revenue in respect of sale of licenses, duty drawback and other incentives is recognized on realization basis.

(k) Research and Development

Research expenditure is recognized in the statement of profit and loss as incurred. Development expenditure is capitalized only if the costs can be reliably measured, future economic benefits are probable, the product is technically feasible and the Company has the intent and the resources to complete the project. Development assets are amortized based on the estimated useful life, as appropriate.

(l) Employee Benefits

Contributions to defined provident fund are charged to the statement of profit and loss on accrual basis. Present liability for future payment of gratuity is determined on the basis of actuarial valuation at the balance sheet date and the expenses is charged to the statement of profit and loss.

(m) Foreign Currency Transactions

Transactions in foreign currencies are recognized at the prevailing exchange rates on the transaction dates. Realized gains and losses on settlement of foreign currency transactions are recognized in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognized in the Statement of Profit and Loss.

Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

(n) Borrowing Costs

Borrowing costs consist of interest, ancillary and other costs that the Company incurs in connection with the borrowing of funds and interest relating to other financial liabilities. Borrowing costs also include exchange differences to the extent regarded as an adjustment to the borrowing costs.

Interest and other borrowing costs attributable to qualifying assets are capitalized as a part of such assets till such time the assets are ready for use. Other interest and borrowing costs are charged to Statement of Profit and Loss.

(p) Income tax

Current Income Tax:

Current Income Tax is measured at the amount expected to be paid to the tax authorities in accordance with Income Tax Act, 1961.

Deferred Tax:

Deferred tax is provided using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. The tax rates and tax laws used to compute the tax are those that are enacted or substantively enacted at the reporting date.

Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

Current and Deferred tax is recognized in the Statement of Profit and Loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity.

Minimum Alternate Tax:

According to section 115JAA of the Income Tax Act, 1961, Minimum Alternative Tax ('MAT') paid over and above the normal income tax in a subject year is eligible for carry forward for fifteen succeeding assessment years for set-off against normal income tax liability. The MAT credit asset is assessed against the Company's normal income tax during the specified period.

Keeping in view of the future business prospect of the company, the company plans to opt for the new tax regime u/s 115 BAA. Considering this, the company has foregone the MAT credit amounting to Rs 4.64 crores and accordingly accounted for the same in the books of accounts.

(q) Leases

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. ROU assets are depreciated from the commencement date on a straight line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease.

(r) Provisions, Contingent Liability and Contingent Assets

The Company creates a provision when there is a present obligation as a result of past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. A disclosure of contingent liability is made when there is a possible obligation or a present obligation that will probably not require outflow of resources or where a reliable estimate of the obligation cannot be made. Contingent Assets are neither recognized nor disclosed in the Financial Statements.

(s) Impairment of Financial Assets

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financial assets in FVTPL category.

(t) Impairment of Non-Financial Assets

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such Indication exists; the Company estimates the recoverable amount of assets. If such recoverable amount of the assets or the recoverable amount of the cash generating unit to which the assets belong is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of Profit & Loss. If at the Balance Sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the assets is reflected at recoverable amount.

(u) Exceptional Items

Exceptional items are disclosed separately in the financial statements where it is necessary to do so to provide further understanding of the financial performance of the company. These are material items of income or expense that have to be shown separately due to their nature or incidence.

(v) Earnings per share

The Company presents basic and diluted earnings per share data for its ordinary shares. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year. Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares.

(w) Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorization for issue.

Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

40 Financial Risk Management

The company has exposure to the following risks arising from Financial Instruments:

- **Credit Risk**
- **Liquidity Risk**
- **Market Risk**

CREDIT RISK

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including cash and cash equivalents and deposits with banks and financial institutions.

CREDIT RISK MANAGEMENT

Trade receivable related credit risk

All trade receivable are reviewed and assessed for default on routine basis. Our historical experience of collecting receivables is of significant credit risk.

Other financial assets

The company maintains low exposure in cash and cash equivalents. The Company's maximum exposure to credit risk is the carrying value of each class of financial assets.

LIQUIDITY RISK:

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses.

Maturities of financial liabilities

The table below analyses the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for all non-derivative financial liabilities.

Independent Auditors' Report

TO THE MEMBERS OF KOHINOOR FOODS LIMITED

Qualified Opinion

We have audited the accompanying **Consolidated** financial statements of Kohinoor Foods Limited ("the Holding Company"), and its subsidiaries ("the holding company and its subsidiaries together referred to as "the group") which comprise the Consolidated Balance Sheet as at March 31st, 2025, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, **except for the effects/possible effects of the matters described in paragraph under 'Basis for Qualified Opinion'**, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at March 31st, 2025, and its consolidated profit/loss including other comprehensive income, its consolidated cash flows and the changes in equity for the year ended on that date.

This Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 110 "Consolidated Financial Statements" ("Ind AS 110"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our audit.

We conducted our audit of the Statement in accordance with the Standard on The Auditor's Report on Financial Statements (SA) 700 "The Auditor's Report on Financial Statements Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. An audit of financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other audit procedures. An audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit.

- The Statement includes the results of the following entities:

Name of subsidiaries	Country
(i) Kohinoor Food USA Inc.	(USA)
(ii) Sachdeva Brothers Private Limited	(India)

We did not receive the Audited Financial statements of above subsidiaries for the period ended 31st March, 2025. Although there is no significant impact of the financial statements of the subsidiary companies on the Consolidated Balance Sheet as at 31st March, 2025.

Basis for Qualified opinion

- In reference to **Note No. 37** in the statement discloses the management's assessment of the company's ability to continue as going concern. The management's assessment of going concern is based on the OTS by the lead bank PNB and the interest shown by prospective investors in the company. However, in view of negative net worth and due to financial constraints, material uncertainty exists about the company's ability to continue as going concern and the decision of the management of the company to prepare the accounts of the company on going concern basis. There may arise a need to adjust the realizable value of assets and liabilities in the event of failure of assumption as to going concern.
- As stated in **Note No.15 (C)** of Standalone Audited Financial Results, the company has not provided interest on bank loans to the extent of Rs.14596.38 lacs for the Current Year and Rs. 73227.25 lacs from the date on which the bank loans were classified as non-performing assets. Further, towards revoked corporate guarantee of the wholly owned subsidiary in USA, the company has not provided interest to the extent of Rs 284.20 lacs for the Current Year and Rs. 1209.84 lacs up to 31.03.2025 from the date of revocation of corporate guarantee in the books of account. Further no provision has been made towards penal interest, penalties, any other Debit or Credit etc. as may be done by lenders. In the absence of reconciliation and complete statement of account from the banks, the above amount has been arrived as per calculation made by the

company. With the limited information the aggregate amount not provided in books of account of the company is not ascertainable with accuracy. However, the company has entered into revised OTS with Consortium of Banks and has paid substantial amount.

Emphasis of Matters

We draw your attention to the following matters in the Notes to the financial statements:

- (1) The company has not made Provision for the demand raised by various authorities (Such as Income Tax, Vat etc.) as the matters are pending before various appellate forums. We are unable to comment upon possible impact of non-provision in the consolidated financial statement for the year ended 31st March 2025.
- (2) We draw attention to **Note No. 15 (C)** of the statement of the company, The lead banker, Punjab National Bank has filed petition under section 7 of Insolvency and Bankruptcy Code, 2016, before the Hon'ble Court of NCLT. Chandigarh Bench, which is not yet admitted.
- (3) In reference to **Note no. 15 (C)**, The Secured Creditors (IDBI Bank) of the Company have filed petition under Section 7 of Insolvency and Bankruptcy Code, 2016, before the Hon'ble court of NCLT, Chandigarh Bench, which is yet to be admitted.
- (4) In reference to **Note no. 15(C)** to the standalone financial statement the Banks have classified the company's accounts as non-Performing asset and served recall Notice under section 13(2) & 13(4) of The Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002. The Company has given reply of said notices within the stipulated time. However, the Company has entered into One time settlement (OTS) with the lenders, as per the term and condition of the OTS, the company has deposited Rs 200 Crores with Banks. (Rs. 78.5 Crores till 31-03-2025 and Rs. 121.5 Crores on 15-04-2025).
- (5) **Note no. 15(d)** of the financial result stating that the company has received Ex-parte Interim Order dated 25-06-2020 from Debt Recovery Tribunal-III, Delhi restraining the company from transferring/ alienating or otherwise dealing with, or disposing off or encumbering or creating any third-party interest with respect of the hypothecated assets/immovable properties of Company until further orders. The company is contesting the matter and has filed its reply before DRT-I, Delhi.
- (6) **Note no. 15 (f)** of the financial result stating that the Lead Bank has filed petition before DRT, New Delhi under section 19(4) of the Act. The Company is contesting the matter.
- (7) In reference to **Note no. 34 C (iv)**, Appeals are lying before the Dy. Excise & Taxation Commissioner-Appeal, Punjab against the Order received from Excise and Taxation Deptt. Punjab in respect of Year 2009-10 and 2010-11 demanding a sum of Rs 4,50,41,414/- towards the cess imposed by the State Govt. on exports. The company has challenged the validity of imposition of cess on export in its appeal as the same is not permissible under article 286 of the Constitution of India. Further demand has been raised for Rs. 5,41,073/- after completing the Sales Tax Assessment for AY 2011-12 against which appeal has been filed.
- (8) In reference to **Note no. 34 (viii)(b)**, The Municipal Corporation has issued notice to the Builder of Pinnacle Tower for vacating of premises Pinnacle Tower, at Surajkund Faridabad. The Builder obtained interim stay on the order of Municipal Commissioner, Faridabad from Hon'ble High Court Punjab and Haryana. The Company also filed a petition before the civil judge, senior division, Faridabad with regard to stay of proceeding against order of Municipal Corporation, Faridabad. The Hon'ble Faridabad Court has stated that already interim stay have been granted by the Hon'ble High Court, hence no ground to grant relief prayed for is made out at this stage.
- (9) In reference to **Note no. 34 (C)(viii)(c)**, The Company's vendor has filed an execution petition before Faridabad District & Session Judge. The company is contesting the matter. The company has also approached Hon'ble High Court Chandigarh and Hon'ble High Court Delhi for stay on above matter. Further, the Company filed a petition before the Hon'ble Apex Court with regard to contesting of proceeding before District and Session Court, Faridabad. The Hon'ble Apex Court had allowed the company petition with granting relief to the Company and parties against the impugned order of Faridabad District Court and asked the Company to approach the Hon'ble High Court for Seeking Direction for further relief. The Company has also deposited the above amount in compliance with the order of Apex Court.
- (10) In reference to **Note no.39** read with **Note no. 40** of the Balance Sheet which explains the management's assessment of impairment of assets due to COVID 19 pandemic situations. As per the assessment of the management, the recoverable amount of assets is higher than its carrying value and hence no impairment of assets needs to be recorded in the financial statements.

- (11) In reference to **Note No.44**, balances of some debtors and creditors are subject to their confirmations.
- (12) In reference to **Note no. 45** corresponding figures for the previous year have been regrouped/rearranged, wherever necessary to confirm to current year classification.
- (13) In reference to **Note no. 15(g) and 46** As per the term of OTS, the company proposed to demonetized its Rice manufacturing Unit, the buyer of the Rice manufacturing Unit has deposited Full consideration Amount of Rs 190.00 Crores to the lenders, the lenders have issued NOC against rice MANUFACTURING UNIT, the company has accorded Approval from lender/ Shareholders in this regard. Considering this, the company has foregone the MAT credit amounting to Rs 4.65 crores and accordingly written of the amount in the books of accounts.

Our opinion is not modified in respect of these matters.

Key Audit Matters.

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition, the matters described in the "basis for qualified opinion" and "emphasis of matter" paragraph are by their nature are key audit matters.

Responsibility of Management's and Those Charged with Governance for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as application, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Thus, board of directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Report on other Legal and Regulatory Requirements

- f) The Company has not raised any loans during the year on the pledge of any securities held in its subsidiaries, joint ventures or associate companies and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.

- xi. (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) No whistle-blower complaints were received by the auditor during the year and hence, reporting under clause 3(xi)(c) of the Order is not applicable.
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the consolidated financial statements as required by the applicable accounting standards.
- xiv. (a) The company has an internal audit system commensurate the size and nature of its business.
- (b) The reports of the internal auditor for the period under audit were considered wherever necessary.
- xv. In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi) (a), (b) and (c) of the Order is not applicable.
- (d) The company is not part of any group. Hence, reporting under clause 3(xvi) (d) of the Order is not applicable.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year and hence clause (xvii) is not applicable.
- xviii. There is no resignation of the statutory auditor during the year, therefore this clause (xviii) of the Order is not applicable.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. The company has incurred losses during the three immediately preceding financial years (2021-22, 2022-23, 2023-24) and hence, it is not required to spend any money under sub-section (5) of section 135 of the Act. Accordingly, reporting under clause (xx) of the order is not applicable to the company for the Financial year 2024-25. However, the Company's net profit during the current year exceeds the threshold limit of Rs. 5 Crores, therefore section 135 of the Act is applicable for the financial year 2025-26 and Company may need to spend money for the CSR activities in the financial year 2025-26.
- xxi. We did not receive the Audit Reports for the subsidiaries companies, Although the impact of financials of subsidiaries are not significant in the consolidated financial statements, Thus reporting under clause (xxi) cannot be done due to non-availability of Audit Reports.

Annexure – B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2025, we have audited the internal financial controls over financial reporting of Kohinoor Food Limited (hereinafter referred to as "the Holding Company").

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountant of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the ICAI and the Standards of Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain the reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that

the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis of Qualified Opinion

We draw our attention to paragraph of "Basis for qualified opinion" of our main report and the same to be read with our comments as stated below:

According to information and explanations given to us and based on our audit, the following material weakness has been identified as at 31st March, 2025.

1. The Company did not have an appropriate internal control system for
 - (a) Customer acceptance;
 - (b) Customer credit evaluation;
 - (c) Establishing customer credit limit for sales;
 - (d) Acceptance of goods by customers and transfer of risk & reward at the time of sales.

This could potentially result in the company recognising revenue without establishing reasonable certainty of ultimate collection.

2. The Company did not have any internal control system for follow-up/recovery/adjustment of old outstanding receivables and payables including balance confirmation and reconciliation.

A 'Material weakness' is a deficiency, or a combination of deficiency, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual financial statement will not be prevented or detected on timely basis.

Qualified Opinion

In our opinion, except for the effects/possible effects of basis of qualified opinion, the holding Company has maintained, in all material respects, adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of the March 31, 2025 consolidated financial statements of the group and these material weaknesses does not affect our opinion on the consolidated financial statements of the company.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENT

1. Basis of Preparation of Consolidated Financial Statement

These Financial Statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. The financial statements for the year ended March 31, 2018 were prepared by the company under Ind AS for the first time, with 01-04-2016 as date of transition.

The Financial Statements have been prepared on the historical cost convention on going concern basis and on accruals basis unless otherwise stated. The accounting policies are applied consistently to all the periods presented in the financial statements.

The financial statements of Kohinoor Foods Limited ("hereinafter referred to as company/ holding company/ parent company") together with its subsidiaries (hereinafter collectively referred to as "Group") are consolidated to form Consolidated Financial Statements (CFS). Consolidated Financial Statements consolidate the financial statements of KFL and its Wholly Owned Subsidiaries listed below

Wholly Owned Subsidiary(WOS)	Country of Incorporation
Sachdeva Brothers Pvt Ltd	India
Kohinoor Foods USA Inc.	USA

The parent company has not received audited financial statement from its Joint venture company, Rich Rice Raisers LLC. Rich Rice Raisers LLC has closed its operations. KFL has 25% shareholding in this Joint Venture. The Management considers that the parent company is not in position to exercise control over this entity. Hence the results of Joint venture company Rich Rice Raisers LLC are not considered in the Consolidated Financial Statements.

2. Significant Accounting Policies

(a) Principles of Consolidation:

The financial statements of the parent company and its subsidiary companies are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions in accordance with Accounting Standard (AS)21 "Consolidated Financial Statements".

The results and financial position of all the Group Companies are translated into the reporting currency as follows:

- (i) Current Assets and Liabilities for each balance sheet presented are translated at the closing rate at the date of that balance sheet;
- (ii) Income and expenses for each income statement are translated at average exchange rates.
- (iii) All resulting exchange differences are accumulated in foreign currency translation reserve until the disposal of net investment.

(b) Use of Estimates and Judgments

The preparation of Financial Statements requires management to make certain assumptions and estimates that affect the reported amount, the Financial Statements and Notes thereto. Difference between actual results and estimates are recognized in the period in which they materialize.

(c) Property, Plant and Equipment

The Group has adopted revaluation model for land & building. All the assets belonging to these classes of assets are carried at revalued amount being its fair value at the date of revaluation less subsequent depreciation. The Group shall carry out the revaluation of these assets periodically after every 3 to 5 years.

Property, Plant & Equipment under all other classes are stated at cost of acquisition/installation inclusive of freight, duties, and taxes and all incidental expenses and net of accumulated depreciation. In respect of major projects involving construction, related pre-operational expenses form part of the value of assets capitalized. Expenses capitalized also include

applicable borrowing costs. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress" and stated at the amount spent up to the date of balance sheet.

Intangible assets are stated at their cost of acquisition.

(d) Depreciation

Depreciation on Property, Plant & Equipment is provided on written down value method, in terms of useful life of the Assets as prescribed in Schedule II to the Companies Act 2013. The depreciation rates which are different from the principal rates specified in Schedule-II are as follows: -

Tarpaulin	100% p.a.
Wooden & Plastic Crates	100% p.a.

(e) Financial Instruments

(1) Financial Assets

Initial recognition and measurement

All financial assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

Subsequent measurement

i) Financial assets carried at amortised cost

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

Other Equity Investments

Equity investments are measured at fair value. Investments which are not held for trading purposes and where the Company has exercised the option to classify the investment as Fair Value through other comprehensive income ('FVTOCI'), all fair value changes on the investment are recognised in OCI.

(2) Financial liabilities

Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(3) Derivative financial instruments

Derivative financial instruments such as forward contracts, option contracts and cross currency swaps, to hedge its foreign currency risks are initially recognised at fair value on the date a derivative contract is entered into and are subsequently remeasured at their fair value with changes in fair value recognised in the Statement of Profit and Loss in the period when they arise.

(f) Fair value measurement

The Group classifies the fair value of its financial instruments, FVTPL and FVTOCI, in the following hierarchy, based on the inputs used in their valuation:

- i) Level 1 - The fair value of financial instruments quoted in active markets is based on their quoted closing price at the balance sheet date.
- ii) Level 2 - The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques using observable market data. Such valuation techniques include discounted cash flows, standard valuation models based on market parameters for interest rates, yield curves or foreign exchange rates, dealer quotes for similar instruments and use of comparable arm's length transactions.
- iii) Level 3 - The fair value of financial instruments that are measured on the basis of entity specific valuations using inputs that are not based on observable market data (unobservable inputs).

(g) Dividend to Equity Shareholders

Dividend to Equity Shareholders is recognised as a liability and deducted from shareholders' equity, in the period in which the dividends are approved by the equity shareholders in the general meeting.

(h) Inventories

Raw materials, traded and finished goods are stated at the lower of cost and net realisable value. Stores and spares are carried at cost.

Cost is determined on FIFO (First in First out) basis for raw material, and on weighted average method for all other categories of inventories. Cost comprises expenditure incurred in the normal course of business in bringing such inventories to its present location and condition, where applicable, include appropriate overheads based on normal level of activity.

(i) Cash and Cash Equivalents

Cash and cash equivalents are short-term, highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

(j) Revenue Recognition

Revenue is measured at fair value of the consideration received or receivable, net of discount, rebate, returns and value added taxes. The revenue is recognized when the amount of revenue can be reliably measured; when it is probable that future economic benefits will flow to the entity; and when specific criteria have been met for each of the activities.

Revenue from sale of goods is recognised when all the significant risk and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, there is no continuing managerial involvement with the goods and the amount of revenue can be measured reliably. On recognition of revenue the Company retains no effective control of the goods transferred to a degree usually associated with ownership and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods.

Interest income is recognized using the effective interest method. Revenue in respect of Insurance / others claims, Commission, etc. is recognized only when it is reasonably certain that the ultimate collection will be made.

Revenue in respect of sale of licenses, duty drawback and other incentives is recognized on realization basis.

(k) Research and Development

Research expenditure is recognised in the statement of profit and loss as incurred. Development expenditure is capitalised only if the costs can be reliably measured, future economic benefits are probable, the product is technically feasible and

the Company has the intent and the resources to complete the project. Development assets are amortised based on the estimated useful life, as appropriate.

(l) Employee Benefits

Contributions to defined contribution plans are charged to the statement of profit and loss on accrual basis. Present liability for future payment of gratuity is determined on the basis of actuarial valuation at the balance sheet date and the expenses is charged to the statement of profit and loss.

(m) Foreign Currency Transactions

Transactions in foreign currencies are recognized at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognized in the Statement of Profit and Loss.

Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

(n) Government Grant

Grants from the government are recognised when there is reasonable assurance that the grant will be received and the Company will comply with all attached conditions. Grant received from government towards property, plant & equipment's acquired/constructed by the Company is deducted out of gross value of the asset acquired/ constructed and depreciation is charged accordingly.

(o) Borrowing Costs

Borrowing costs consist of interest, ancillary and other costs that the group incurs in connection with the borrowing of funds and interest relating to other financial liabilities. Borrowing costs also include exchange differences to the extent regarded as an adjustment to the borrowing costs.

Interest and other borrowing costs attributable to qualifying assets are capitalised as a part of such assets till such time the assets are ready for use. Other interest and borrowing costs are charged to Statement of Profit and Loss.

(p) Income tax

Current Income Tax:

Current Income Tax is measured at the amount expected to be paid to the tax authorities in accordance with applicable Income Tax law.

Deferred Tax:

Deferred tax is provided using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. The tax rates and tax laws used to compute the tax are those that are enacted or substantively enacted at the reporting date.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

Current and Deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity.

Minimum Alternate Tax:

According to section 115JAA of the Income Tax Act, 1961, Minimum Alternative Tax ('MAT') paid over and above the normal income tax in a subject year is eligible for carry forward for fifteen succeeding assessment years for set-off against normal income tax liability. The MAT credit asset is assessed against the Company's normal income tax during the specified period.

Keeping in view of the future business prospect of the company, the company plans to opt for the new tax regime u/s 115 BAA. Considering this, the company has foregone the MAT credit amounting to Rs 4.64 crores and accordingly accounted for the same in the books of accounts.

(q) Leases

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. ROU assets are depreciated from the commencement date on a straight line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease.

(r) Provisions, Contingent Liability and Contingent Assets

A provision is created when there is a present obligation as a result of past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. A disclosure of contingent liability is made when there is a possible obligation or a present obligation that will probably not require outflow of resources or where a reliable estimate of the obligation cannot be made. Contingent Assets are neither recognised nor disclosed in the Financial Statements.

(s) Impairment of Financial Assets

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financials assets in FVTPL category.

(t) Impairment of Non-Financial Assets

An assessment is made at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such Indication exists; the Company estimates the recoverable amount of assets. If such recoverable amount of the assets or the recoverable amount of the cash generating unit to which the assets belong is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of Profit & Loss. If at the Balance Sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the assets is reflected at recoverable amount.

(u) Exceptional Items

Exceptional items are disclosed separately in the financial statements where it is necessary to do so to provide further understanding of the financial performance of the company. These are material items of income or expense that have to be shown separately due to their nature or incidence.

(v) Earnings per share

The Consolidated statement of Profit and Loss presents basic and diluted earnings per share data for the ordinary shares of parent company. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year. Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares.

(w) Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue.

Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.
