Indo European Foods Limited

Strategic Report

Year ended 31 March 2016

Principal activities

The principal activity of the company during the year was manufacture and marketing of specialist rice products, cooking sauces, ready meals and savoury snacks.

Business review

Sales decreased marginally by £159,000 to £24.38 million (2015 - £24.54 million).

After taking into account interest charges, the company made a net profit of £413,112 (2015 - £54,668).

Future developments

The company will continue to concentrate on driving business growth across sectors it operates in. The company will strengthen further the core brands, and improve the product mix to drive profitability. Efforts will continue to be made on increasing the availability of the range across markets.

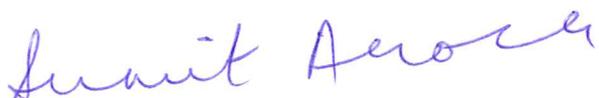

Principal risks and uncertainties

The directors recognise the need for vigilance in the face of financial and operational risks to the company. The company is subject to the effect of changes in raw material prices and faces a number of risks and uncertainties due to changing trading conditions and competition. The directors are aware of the risks and monitor these on a regular basis.

Financial instruments

The company is exposed to normal price, credit and cash flow risks as well as changes in foreign currency exchange rates (principally the US dollar and Euro). In the opinion of the directors, the exposure to exchange difference risks is not significant as the company's principal trading currency is pound sterling. It is also exposed to changes in interest rates. All risks are monitored on a regular basis.

This report was approved by the board of directors on 25 May 2016 and signed on behalf of the board by:

Mr Sumit Arora
Director

Indo European Foods Limited

Directors' Report

Year ended 31 March 2016

The directors present their report and the financial statements of the company for the year ended 31 March 2016.

Directors

The directors who served the company during the year were as follows:

Mr Jugal Kishore Arora

Mr Gurnam Arora

Mr Sumit Arora

Mr Vijay Vaidyanathan (Appointed 21 September 2015)

Dividends

The directors do not recommend the payment of a dividend.

Disclosure of information in the strategic report

The company has chosen in accordance with s.414C(11) Companies Act 2006 to set out in the company's strategic report information required by Schedule 7 of the Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008 to be contained in the directors' report. It has done so in respect of future developments and financial instruments.

Directors' responsibilities statement

The directors are responsible for preparing the strategic report, directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Indo European Foods Limited

Directors' Report *(continued)*

Year ended 31 March 2016

Auditor

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the company's auditor is unaware; and
- they have taken all steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This report was approved by the board of directors on 25 May 2016 and signed on behalf of the board by:

Mr Sumit Arora
Director

Indo European Foods Limited

Independent Auditor's Report to the Shareholders of Indo European Foods Limited

Year ended 31 March 2016

We have audited the financial statements of Indo European Foods Limited for the year ended 31 March 2016, on pages 6 to 19. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

This report is made solely to the company's shareholders, as a body, in accordance with chapter 3 of part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's shareholders those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's shareholders as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the strategic report and the directors' report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2016 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Indo European Foods Limited

Independent Auditor's Report to the Shareholders of Indo European Foods Limited *(continued)*

Year ended 31 March 2016

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Indo European Foods Limited

Notes to the Financial Statements

Year ended 31 March 2016

1. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

2. Accounting policies

(a) Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss.

The financial statements are prepared in sterling, which is the functional currency of the entity.

(b) Transition to FRS 102

The entity transitioned from previous UK GAAP to FRS 102 as at 1 April 2014. Details of how FRS 102 has affected the reported financial position and financial performance is given in note 24.

(c) Revenue recognition

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods supplied and services rendered, stated net of discounts and of Value Added Tax.

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have transferred to the buyer, usually on despatch of the goods, the amount of revenue can be measured reliably, it is probable that the associated economic benefits will flow to the entity, and the costs incurred or to be incurred in respect of the transactions can be measured reliably.

(d) Income tax

The taxation expense represents the aggregate amount of current and deferred tax recognised in the reporting period. Tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, tax is recognised in other comprehensive income or directly in equity, respectively.

Current tax is recognised on taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

Deferred tax is recognised in respect of all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

Indo European Foods Limited

Notes to the Financial Statements *(continued)*

Year ended 31 March 2016

2. Accounting policies *(continued)*

(e) Foreign currencies

Foreign currency transactions are initially recorded in the functional currency, by applying the spot exchange rate as at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the exchange rate ruling at the reporting date, with any gains or losses being taken to the profit and loss account.

(f) Amortisation

Amortisation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful life of that asset as follows:

Website - 7.5 Years

If there is an indication that there has been a significant change in amortisation rate, useful life or residual value of an intangible asset, the amortisation is revised prospectively to reflect the new estimates.

(g) Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other comprehensive income and accumulated in equity, except to the extent it reverses a revaluation decrease of the same asset previously recognised in profit or loss. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other comprehensive income to the extent of any previously recognised revaluation increase accumulated in equity in respect of that asset. Where a revaluation decrease exceeds the accumulated revaluation gains accumulated in equity in respect of that asset, the excess shall be recognised in profit or loss.

(h) Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold Buildings - 2% straight line
Plant & Machinery - Over estimated useful life
Fixtures & Fittings - 15% reducing balance
Motor Vehicles - 20% reducing balance

(i) Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Indo European Foods Limited

Notes to the Financial Statements *(continued)*

Year ended 31 March 2016

2. Accounting policies *(continued)*

Impairment of fixed assets *(continued)*

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the company are assigned to those units.

(j) Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

(k) Provisions

Provisions are recognised when the entity has an obligation at the reporting date as a result of a past event, it is probable that the entity will be required to transfer economic benefits in settlement and the amount of the obligation can be estimated reliably. Provisions are recognised as a liability in the statement of financial position and the amount of the provision as an expense.

Provisions are initially measured at the best estimate of the amount required to settle the obligation at the reporting date and subsequently reviewed at each reporting date and adjusted to reflect the current best estimate of the amount that would be required to settle the obligation. Any adjustments to the amounts previously recognised are recognised in profit or loss unless the provision was originally recognised as part of the cost of an asset. When a provision is measured at the present value of the amount expected to be required to settle the obligation, the unwinding of the discount is recognised as a finance cost in profit or loss in the period it arises.

(l) Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as a finance cost in profit or loss in the period in which it arises.

Indo European Foods Limited

Notes to the Financial Statements *(continued)*

Year ended 31 March 2016

2. Accounting policies *(continued)*

(m)

In line with Group Accounting Policy on product entry costs, the company has carried forward, as deferred expenditure, certain costs relating to the introduction of various branded products into the United Kingdom market.

Deferred expenditure is that which, when incurred, will not produce an immediate return and which may be expected to accrue economic benefit over a future period.

Promotional expenditure (such as expenditure incurred to introduce a new brand name to, and increase awareness among, consumers) may be deferred over a period. Promotional expenditure following the introduction of a new sales product is carried forward and written off over a period not exceeding ten years provided, in the opinion of the directors, such expenditure is separately identifiable and the future product sales are reasonably expected to benefit from such expenditure. The future benefit is kept under constant review and the rate of write off adjusted accordingly.

(n)

The financial statements have been prepared on the going concern basis which assumes continuing financial support from the company's parent undertaking.

3. Turnover

Turnover arises from:

	2016 £	2015 £
Sale of goods	<u>24,381,691</u>	<u>24,541,191</u>

The turnover is attributable to the one principal activity of the company. An analysis of turnover by the geographical markets that substantially differ from each other is given below:

	2016 £	2015 £
United Kingdom	24,211,640	23,192,541
Overseas	<u>170,051</u>	<u>1,348,650</u>
	<u>24,381,691</u>	<u>24,541,191</u>

4. Operating profit

Operating profit or loss is stated after charging:

	2016 £	2015 £
Depreciation of tangible assets	265,311	230,433
Loss on disposal of tangible assets	-	414
Foreign exchange differences	(95)	23,514
Defined contribution plans expense	<u>5,328</u>	<u>-</u>
