Chairman Message

Dear Members,

It is my privilege to write to you and present the Annual Report of your Company for the financial year 2020–21.

I hope this letter finds you safe and in good health.

India is the world's second-largest producer of rice, wheat, sugarcane, cotton, groundnuts and fruits & vegetables. It also produced 25% of the world's pulses, as of last decade, until 2019. India is among the 15 leading exporters of agricultural products in the world. Agricultural export from India reached US\$ 38.54 billion in FY19 and US\$ 35.09 billion in FY20. Indian rice market is primarily dominated by unorganized sector because of the presence of several local players and the easy availability of rice through small retail stores. The rice production is projected to register a CAGR of 2.7% during the forecast period, 2020-2025.

The Indian agricultural sector is predicted to increase to US\$ 24 billion by 2025. The Economic Survey of India 2020-21 report stated that in FY20, the total food grain production in the country was recorded at 296.65 million tonnes—up by 11.44 million tonnes compared with 285.21 million tonnes in FY19.

The global basmati rice market is being aided by the superior quality, taste, and aroma of the product, which are driving the consumer preference for the product. The basmati variety forms an integral part of the Middle Eastern cooking. It is used to cook lavish dishes which contain layers of rice, meats, and dried fruits. It also forms a part of the staple diet of many cultures, thus, further aiding the industry growth. The increasing export demand from the Middle Eastern countries is also propelling the global basmati rice market forward. The US and Europe, too, are significant importing countries.

The Industry has witnessed orders from across the globe which could not result in corresponding shipments as the same was curtailed due to high freight cost and non-availability of containers which slowed down the movement.

On the other hand, Owing to the influence of globalization, the food behaviors of Indians have been changing due to busy lifestyles of the millennial, spike in family income and the concept of nuclear families gaining ground have contributed to the Indian ready-to-eat (RTE) food segment rising significantly in current years. The Covid-19 pandemic and the ensuing work-life changes have also provided a boost to this segment. The processed food market in India is expected to grow to Rs. 3,451,352.5 crore (US\$ 470 billion) by 2025, from Rs. 1,931,288.7 crore (US\$ 263

billion) in FY20 on the back of government initiatives such as planned infrastructure worth US\$ 1 trillion.

As you know, the paddy industry has grappled with multiple issues during the year. The mounting trade tensions, muted global growth and enhanced regulatory norms have fundamentally changed the contours of the business environment in which we operate. Next came the onset of the COVID-19 pandemic, which has ushered in a new reality for industries across the world, where your company is struggling its own battle for revival of financial crises as the Banks have already declared your Company NPA.

The current scenario is expected to continue in the near term and exporters are likely to continue facing financial stress in the near term. Weak sales growth and decline in profitability, along with inventory losses, are expected to be the key trends in the financials of basmati rice players in 2020-21. This is expected to further weaken the leverage profile of industry players.

Against this volatile macro backdrop, your Company is charting out a disciplined path towards a robust and resilient future. I would like to first address the current year's performance, followed by various transformative initiatives being undertaken.

Your Company achieved a total consolidated turn-over of INR 2,656 Million (Mn.) as against INR 2,153 Mn. of last year, the consolidated rice business turnover stood at INR 2,169 Mn. as against INR 1,839 Mn. of last year.

Nevertheless, the turnaround story of your Company have been started evolving with your trust and support, as in the last few years, your Company could not performed well because of financial constraint, ongoing economic pressure and pandemic. On the hindsight export market was low on sentiments & actual realization due to economic instability around countries beside our own constraint of business operation due to liquidity crunch. However Kohinoor is still striving to grow steadily and place its presence around world across renowned players.

KFL participates across nations and around world, under its few prestigious brands for sale of rice and processed & packed food business.

Recently your company has scaled up its operations. It has hired new Marketing team for domestic rice business to make best use of its marketing network and strengthen it further to regain the market share. Now your company has started direct exports to different countries for both rice and food products. Your Company has also started tapping the Domestic Rice Market which carry good potential.

We further inform the members that with an objective to improve the financials of the company, your company is exploring the possibilities such as:

- a. Monetising some of the assets of the company.
- b. Looking for Investor to infuse funds in the company.
- c. Executing with the Banks for restructuring of borrowings or settlement of loans.

The company is working aggressively on the said lines to improve its financial/business to achieve the seamless working.

With the objective of bringing authentic Indian flavours to the people all over the world, we want your company Kohinoor Foods Ltd. to become a leading name in the food business globally as well. In pursuit of our vision to make Kohinoor the most trusted & preferred food brand in export markets, we would continue to develop products, increase operational efficiency and follow our successful strategies.

I am grateful to the Board of Directors for their unwavering support and guidance. I also take this opportunity to express my gratitude to all our consumers, business partners, employees and stakeholders who have shown their trust in us and have extended their constant support.

I would like to take this opportunity to thank you for your continued trust, confidence, and support as we enter a brave new decade—one that is already rewriting the rules of the past.

With best wishes,

Sincerely

Sd/-

Subsidiaries / Joint Venture

U.K. Operations

Indo European Foods Limited (IEFL) was incorporated in year 2000 in United Kingdom (UK), as a wholly owned subsidiary of Kohinoor Foods Limited (KFL), India, to cater the markets of UK and Europe.

IEFL Sales show marginal increase from last year i.e GBP 23.26 Million in comparison of last year GBP 20.28 Million. Overall, the effect on UK Food sector was a positive one on the eat-in at home demand. IEFL earned a total profit of GBP 2.38 Million in comparison

of last year profit of GBP 0.65 Million.

The Company had obtained approval from its members vide postal ballot meeting held on 10.01.2021 and the Board in its meeting held on 30.03.2021 approved a strategic disinvestment in its Wholly Owned foreign Subsidiary, M/s Indo European Foods Limited (UK), situated outside India to M/s. Herba Foods S.L.U.

USA Operations

Kohinoor Foods USA Inc. was incorporated in year 2000 in the state of New Jersey, USA, as a wholly owned subsidiary of Kohinoor Foods Limited (KFL), India, to cater to the markets of US & Canada. The brand 'Kohinoor' is well known in USA for its quality rice and food items.

However during the current year this company did not carry any business as their as no export sales for KFL India to US & Canada.

Food Business

During the year 2020-21, in processed & packaged food products the company did the business of around INR 304 million as against INR 198 million in the previous year. The food factory has continued its operation effectively in spite of the liquidity problem which improved our production & revenues from food business.

UK, Australia, USA, Canada are major markets for our range processed & packaged food products.

Overview - Ready to Eat Industry

Convenience food is a concept that has been prevalent and popular in the western countries for a long time now. Globally, the demand for ready-to-eat (RTE) food products has been increasing over the last few years on account of busier lifestyle of consumers and their rising income levels. Similar factors are fuelling the growth in the packaged food sector in India.

Owing to the influence of globalization, the food behaviors of Indians have been changing due to busy lifestyles of the millennial, spike in family income and the concept of nuclear families gaining ground have contributed to the Indian ready-to-eat (RTE) food segment rising significantly in current years. The Covid-19 pandemic and the ensuing work-life changes have also provided a boost to this segment. The processed food market in India is expected to grow substantially on the back of government initiatives such as planned infrastructure worth US\$ 1 trillion and Pradhan Mantri Kisan Sampada Yojna. The food processing industry employs about 1.77 million people. The sector allows 100% FDI under the automatic route. India exported key processed food products such as pulses, processed vegetables, processed fruits and juices, groundnuts, guar gum, cereal preparations, milled products, alcoholic beverages and oil meals. The 'India Ready-To-Cook Market Outlook, 2021' indicates that the market for the RTE segment has grown at a CAGR of 15-20

per cent in the last five years., A recent survey by ASSOCHAM shows that about 79 per cent of Indian households today prefer to have instant food due to time constraints. Anticipated growth in the market can be attributed to rising urbanization, increasing disposable income of middle-class population and changing taste preferences of Indian consumers. Ready meals took off in India following the hectic lifestyle of the young working population. The even more convenient ready-to-eat products rose in popularity since they can be consumed without cooking, seemingly suited for busy millennial.

The Indian cooking styles have undergone considerable changes over the past few years owing to the advent of modern technology and several other changes such as urbanization, increasing working population, increase in female work population and the rise of nuclear families. People have been increasingly shifting to ready-to-eat food items in order to save the time involved in preparing meals.

With the growing media awareness, literacy rates and standard of living, people have grown more responsive towards the health and hygiene standards associated with food products. There has been a shift witnessed in the customers focus from price to quality in the recent years, particularly in the urban and a few semi-urban areas. Consumers have been drifting from openly or loosely sold food products to the consumption of hygienically packaged fortified RTE foods.

Moreover, growing demand for quick food and presence of freshness and high nutritional value in these foods is further aiding growth of India ready-to-eat food market. Demand for ready-to-eat food products is recording high growth in metros where a lot of working people don't get enough time to cook proper meals. Additionally, longer shelf life and easy availability of ready-to-eat food products is further pushing their demand across the country. The most popular ready-to-eat items include preparations of paneer, chana masala, rajma masala, pav bhaji, etc. Rise in demand for ready-to-eat food products has created the interest among many companies to enter this space which is likely to contribute to the growth of the market in the coming years. Furthermore, innovation in products offerings, sustainable packaging, and preference of single serving frozen products, aggressive marketing & promotional strategies would steer growth in the market during forecast period.

With two working parents and families becoming nuclear, people prefer authentic, nutritious store bought options rather than spending hours in the kitchen after work. In recent years, the focus of the ready-to-eat market has gradually shifted from just homemakers or students to young professionals and families.

However, as fancy as the various breakfast cereals available in the market might be, we crave the satisfaction that only a traditional dish can give. And hence the traditional brands are coming up with options that are suitable for the Indian palate. The traditional brands have

forayed into items such as bhel bar, pot upma, poha which can be had on the go, anytime, anywhere. To fulfil the demand of this large section of consumers, one will find a lot of new RTE brands in the market.

Unlike the giant brands though, the new entrants are trying to create a niche category for themselves, be it breakfast cereals, canned, frozen foods, spreads, chutneys, and so on. Companies are looking to attract consumers within areas like olive oil, spreads and ready meals by offering promotions, new product developments, health and nutritional benefits and attractive packaging.

Consumers are increasingly realizing that majorly RTE foods are loaded with preservatives for a longer shelf life. Increasing health awareness, particularly in the young generation, is hindering the growth of this market. Still a large Indian population is price sensitive and therefore the price factor of RTE food makes them affordable only to select economic classes of the society. Hence it becomes all the more essential for new players in this field to marry convenience with health benefits to ensure convenience food does not mean compromising on quality. The key is to provide RTE food options focused on Indian taste for everyday consumption, which are not harmful in the long run.

The Indian consumer behavior has been influenced by exposure to other cultures primarily in the West through travels, and popular literature. The ready-to-eat market is somewhat saturated in the West, hence developing countries like India are attracting the majority of big players in the promise of a high growth opportunity. The booming food sector, multiple food outlets, the popularity of international brands and distinctive distribution channels adopted by players are expected to help the market grow at a continuous pace.

This is the challenge taken up specifically by food tech start-ups who want to be considered as serious players and are getting into the game after years of R&D. With state of the art technology in packaging and processing to ensure the end product is not just a world class product that can eventually be on the shelves in countries across the globe but a product that is a strong contender in being a game changer.

Convenience food is a concept that has been prevalent and popular in the western countries for a long time now. Globally, the demand for ready-to-eat (RTE) food products has been increasing over the last few years on account of busier lifestyle of consumers and their rising income levels. Similar factors are fuelling the growth in the packaged food sector in India.

Increased employment opportunities have increased migration of people from tier 1 and tier 2 cities to metropolitans, which is an important driver for RTE food products in the country. Nuclear families and bachelors residing in metros for study or employment

purpose are among the major consumers of RTE food products in India. The number of working women is particularly on the rise, which is again driving the demand. All these factors are creating significant awareness about ready meals among consumers. Growth in retail chains and outlets is also adding to the product awareness among consumers in the country's, supermarkets, convenience stores and hypermarkets, which are emerging as the key points-of-sale for offering a wide range RTE food products.

Basmati Rice

India has the distinction of being the second-largest producer of rice in the world. However, consecutively for the last 2 years India has been the largest net exporter of rice, putting behind in the race, traditionally considered 'rice bowls' of the world viz. Thailand and Vietnam.

Called the King of rice 'Basmati' considered the finest in all rice varieties, is grown only in the North Indian States, in the foothills of the majestic Himalayas called 'the Indo-Gangetic plains. Basmati crop is sowed in May-June and harvested in October-November, a cycle of about 110 to 120 days. Basmati rice has a GI Tag, which means basmati grown only in this part of world ie Punjab, Haryana of India and Punjab of Pakistan can only be labeled as 'BASMATI'.

India grows both basmati as well as non basmati rice varieties, all rice grown in India is classified as 'LONG GRAINS', as unlike Vietnam, Cambodia & China who also grow short and round grains, Indian soil does not sustain shorter grain rice varieties. Most of rice production in the world is in this part of the globe ie South East Asia ; the major consumption too is in either Arab world ie Middle East or in the Far Eastern countries viz. China, Indonesia, Malaysia & Thailand, Philippines etc.

Over the last 4 decades, since India started exporting Basmati rice, first to the Arab World, followed by Europe, North America and now also to Iran, the volumes have quadrupled; in the last 10 years the exports of basmati have increased from 2.5 to 4.10 million metric tons. Due to GI Tag, world's dependence on India is enviable and is not expected to go down any time soon.

Risks & Concerns

The Banks have classified the Company's Accounts as Non Performing Asset and served Notice under section 13(2) of The Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002, in the month of July 2018 to March 2019 and in the month of February 2020 to September 2020. The Company has replied to said notices and negotiating with different workable options.

The Banks have filed petition against Company before Hon'ble NCLT Bench Chandigarh, the company is contesting the matter and

the petition is yet to be admitted.

The Company has received an ex parte interim order from Debt Recovery Tribunal-III, Delhi dated 25/06/2020 restraining the company from transferring/ alienating or otherwise dealing with, or disposing off or encumbering or creating any third party interest with respect of the hypothecated assets/immovable properties of the Company until further orders. The company is contesting the matter against the ex parte interim order.

The observations of the Auditor with regard to the management assessment of the company's ability to continue as going concern in view of the liquidity problems/decrease in business. The management of the company believes that it can continue as a going concern, based on the Resolution plan and after of one time settlement submitted to the Banks by company and the interest shown by prospective investors in the company.

Macro-economic factors like recession, subdued demand and political uncertainty may affect the business of the Company and the industry at large as well. The Company is aware that uncertainties in business offer opportunities as well as downside risks and thus has identified and put in place mitigation tools for the same. Some key risk areas are:

Procurement risk

In a country like India, where more than 60 per cent of the area under cultivation is not irrigated, farm production is highly vulnerable to fluctuations in rainfall. Beside production risk, Indian farmers also face high market risk. Farm harvest prices in the country show high inter and intra year volatility. Price variation is quite pronounced in the regions and commodities where price support mechanism is not operative. Further adequate availability of key raw materials at the right prices is crucial for the Company. Being a generic natural product with low yield concentrated in a small region of the World, production of Basmati depends on the vagaries of nature. Therefore, any disruption in the supply due to a natural or other calamity or violent changes in the cost structure could adversely affect the Company's ability to reach its consumers with the right value proposition. However, we are ready with plans that might help us at such times. However, the Company's long term relationship with farmers built on trust ensures constant supply and thus over the years it has not faced any procurement problems. Also, adequacy of irrigation facilities in the Basmati producing regions mitigates these uncertainties.

High working capital requirement: Basmati rice requires to be aged for 9-12 months before selling, leading to huge working capital requirements. This results in low ROCE for the industry.

Combating this risk, efficient working capital management system has been set in place by the Company and cash flow is monitored on daily basis.

Intense competition from unorganized sector: Another characteristic of this industry is the presence of unorganized sector offering basmati in loose unbranded form which intensifies competition. The Company is moving towards branded products and has invested significantly in building a strong brand which helps in differentiating their product.

Dividend

Your Directors do not recommend any dividend for the financial year 2020-21.

Whistle Blower Policy/Vigil mechanism

The Company has established a vigil mechanism for Directors and Employees to report their concerns about unethical behavior, actual or suspected, fraud or violation of the Company's code of conduct or ethics policy or any other grievances, the details of which are given in the Corporate Governance Report, during the year under review.

The directors in all cases and employees in appropriate or exceptional cases will have direct access to the Chairman of the Audit Committee. The Whistle Blower Policy may be accessed on the Company's website on the link www.kohinoorfoods.in/investor

During the year ended 31st March, 2021, no matter has been received under Whistle Blower Policy of the Company and no personnel has been denied access to the Chairman of the Audit Committee of the Company.

Subsidiary, Joint Ventures and Associate Companies

The Company has two Wholly Owned foreign Subsidiaries, namely M/s Kohinoor Foods USA, Inc. (USA) and Indo European Foods Limited (UK), situated outside India and one Indian Wholly Owned Subsidiary in the name of Sachdeva Brothers Pvt. Ltd.

Information on subsidiary companies is forming part of the Board's Report. The company has material subsidiary in accordance with the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015. The Audit Committee reviews the financial statements and investments made by the unlisted subsidiary companies. The minutes of the proceedings of the Board meetings of the unlisted subsidiary Companies are placed before the Board of Directors. Policy for determining 'material' subsidiaries was adopted by Board of Directors and this policy is uploaded on the website of the Company at: <http://kohinoorfoods.in/pdf/Policy-for-deciding-material-subsiadiary.pdf>

In accordance with section 129(3) of the Companies Act, 2013, we have prepared consolidated financial statements of the Company and all its subsidiaries, which form part of the Annual Report. The statement provides the details of performance, financial positions of each of the subsidiaries.

The Financial Statements have been prepared on the historical cost convention on going concern basis and on accruals basis unless otherwise stated.

The accounting policies are applied consistently to all the periods presented in the financial statements.

The financial statements of Kohinoor Foods Limited ("Holding Company or KFL") together with its subsidiaries (hereinafter

collectively referred to as "Group") are consolidated to form Consolidated Financial Statements (CFS). Consolidated Financial Statements consolidate the financial statements of KFL and its Wholly Owned Subsidiaries.

The parent Company has not received audited financial statement from its Joint venture Company, Rich Rice Raisers LLC. The Management considers that the parent company is not in position to exercise control over this entity. Hence the results of Joint Venture Company have not been considered in the Consolidated Financial Statements. Rich Rice Raisers LLC, in which, KFL holds 25% shareholding, has closed its operation.

KFL was holding 20% share in Al Dhara Kohinoor LLC and Al Dhara Kohinoor Industries LLC. Al-Dahra Kohinoor LLC has exercised the call option, which KFL has accepted. Upon completion of the formalities the shareholding of the parent company in both of these associates has to NIL and they are not considered as Associates Companies for the Current Year.

During the year the Board of Directors of the Company had reviewed the affairs of the subsidiaries and a statement containing the salient features of the financial statement of our subsidiaries in the prescribed format AOC-1 is enclosed as Annexure to the Financial Statement and hence not repeated here for the sake of brevity.

In accordance with Section 136 of the Companies Act, 2013, the audited financial statement, including the consolidated financial statements and related information of the Company and audited accounts of each of its subsidiaries, are available on our website www.kohinoorfoods.in/investor. These documents will also be available for inspection during business hours at our Registered Office.

The Company had obtained approval from its members vide postal ballot meeting held on 10.01.2021 and the Board in its meeting held on 30.03.2021 approved a strategic disinvestment in its Wholly Owned foreign Subsidiary, M/s Indo European Foods Limited (UK), situated outside India to M/s. Independent Auditors' Report

TO THE MEMBERS OF KOHINOOR FOODS LIMITED

Qualified Opinion.

We have audited the accompanying Standalone Ind AS financial statements of Kohinoor Foods Limited ("the Company"), which comprise the Balance Sheet as at March 31st, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects/possible effects of the matters described in paragraph under 'Basis for Qualified Opinion', the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at March 31st, 2021, and profit/loss including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Qualified opinion

1. In reference to Note No. 42 in the standalone Ind AS financial statement discloses the management's assessment of the company's ability to continue as going concern. The management's assessment of going concern is based on Resolution plan submitted to the Banks by company and the interest shown by prospective investors in the company. However, in view of default in re-payment of borrowings, significant decline of revenue, continuous losses, negative cash flows and negative net worth and due to financial constraints, material uncertainty exists about the company's ability to continue as going concern and the decision of the management of the company to prepare the accounts of the company on going concern basis. There may arise a need to adjust the realizable value of assets and liabilities in the event of failure of assumption as to going concern.
2. In reference to Note No. 28, Loss of the company is understated by Rs9742.10 lakhs (approx.) due to non-provisioning of interest on bank loans for the financial year 2020-21 (Rs8296.18 lakhs (approx.) for the year ended March 31st 2020) and aggregating to Rs23490.56 lakh (approx.) from the date on which the account of the company was classified as NPA to the period covered under audit. Further no provision has been made towards penal interest, any other penalty etc. as may be charged by lenders. In the absence of complete statement of account from the bank, the above amount has been arrived as per calculation made by the company. With the limited information, the aggregate amount not provided in books of account of the company is not ascertainable with accuracy.
3. In reference to note no. 31 to the standalone Ind AS financial statement, during the financial year 2019-20 the management had made an ad hoc provision of Rs 5316.36 lakh for bad & doubtful debts on domestic debtors of rice on the ground that debtors were facing financial difficulties due to covid-19 situation. In current financial year 2020-21 management entered into settlement agreement with few debtors and on the basis of such settlement agreement and other estimation made by the management, the actual bad debts come out to be Rs 5478.46 lakh. The short provision of bad debts amounting to Rs 162.10 lakh has been written off by the company during the financial year 2020-21. In light of the circumstances such as dispute with debtors, write-off significant debtors as bad debts, goods re-purchased from debtors, and absence of third-party confirmation, we are unable to comment on realizability of amount due from debtors and its possible effect on Standalone Ind AS financial statement of the company.
4. The Management of the company has written back balances of few creditors by amount of Rs 1044.23 lakh. The management of company has provided confirmation of few creditors. However, in light of the circumstances such as absence of any basis of such balances being written back, non-receipt of confirmation from some creditors, non-receipt of direct confirmations by the auditor from confirming parties, we are unable to comment on actual liability to creditors (including squared up accounts). Further impact of such balance written back is recognized income under the head exceptional item by amount Rs 852.85 lakh (net of provision for bad debts and balance written off). In the absence of any concrete evidence of written back, we are unable to comment any possible effect on standalone Ind AS financial statement of the company.
5. During the period under audit, the company entered into sale and purchase transactions with the creditors and debtors respectively and has recognised Revenue without negating the effect of re-purchase of goods from debtors and re-sale of goods to creditors. As per information and explanation given by management, each transaction is a separate transaction and

not related to each other as quality of goods sold and purchased are different. However, we have not been provided any quality wise record of sale & purchase. Further it cannot be identified at which point of time performance obligation is satisfied due to uncertainty about transfer of risk & reward, absence of customer specification, absence of acceptance of goods by customer and absence of sales return policy. In light of above circumstances, revenue recognition by the company is not in line with Ind AS 115. Further customer's ability to pay the consideration deteriorates significantly, it indicates the significant changes in fact and circumstances, entity should re-assess the criteria for accounts for contract with customer. In the absence of above records, we are unable to comment its impact on Standalone Ind AS Financial statement of the company.

Emphasis of Matters

We draw your attention to the following matters in the Notes to the financial statements:

- (1) In reference to note no. 29 to the standalone Ind AS financial statement, the company has entered into sale purchase agreement with Herba Foods S.L.U. as on 07th of April 2021 relating to sale of Indo-European Foods Limited, a U.K. based subsidiary company. The total consideration for said deal is GBP 4,376,725 (inclusive of deferred consideration of GBP 566,000). It is the event after the reporting period, that provide evidence of conditions that existed at the end of reporting period. The company has adjusted its impact and recognised as impairment loss on investment by amounting of Rs 441.54 lakh during the reporting period.
- (2) In reference to Note no. 39 to the standalone Ind AS financial statements, the company has not made Provision for the demand raised by various authorities as the matters are pending before various appellate forum. We are unable to comment upon possible impact in the standalone Ind AS financial statement for the year ended 31st March 2021.
- (3) As stated in Note no 13 in the standalone Ind AS financial statement, the company has allotted 18,30,000 equity shares on conversion of warrant into equity shares issued on preferential basis to its promoters. The company has filed application for listing of 18,30,000 equity shares to both the stock exchange (NSE & BSE). As per information provided by management such application is closed by BSE due to non-submission of documents by the company and due to which these shares are not yet listed. The consequential effect the above, on the standalone Ind AS financial statement is not ascertainable.
- (4) We draw attention to Note No. 17 of Standalone Ind AS financial statement of the company, that the lead consortium bank Punjab National Bank "erstwhile known as Oriental Bank of Commerce" have filed an application against company under section 7 of the Insolvency and Bankruptcy code, 2016 before National company Law Tribunal (NCLT) Chandigarh bench and the matter is adjourned to next date 11th August 2021. Further, certain operational creditors M/S. Norton Rose Fulbright, M/S. Uma Polymers, International Cargo Terminal & Infrastructure (P) Ltd, International Cargo Terminal & Rail Infrastructure (P) Ltd and JPS Plastic have also filed an application against company under section 9 of the Insolvency and Bankruptcy code, 2016 before National company Law Tribunal (NCLT) Chandigarh bench. However, company has entered settlement agreement for above these operational creditors and said operational creditors have agreed to withdraw the application filed against the company before NCLT subject to realisation of their dues.
- (5) Note no. 17 of standalone Ind AS Financial Statement stating that company has received Ex-parte Interim Order dated 25-06-2020 from Debt Recovery Tribunal-III, Delhi in the matter of ICICI Bank Vs. Kohinoor Foods Limited restraining the company from transferring/ alienating or otherwise dealing with, or disposing off or encumbering or creating any third-party interest with respect of the hypothecated assets/immovable properties of Company until further orders. In response, the company is contesting the matter and has filed its reply before DRT-III, Delhi, wherein DRT has provided the next date of hearing on 12th August 2021.
- (6) In reference to note no. 50 to the standalone Ind AS financial statement which explain management's assessment of impairment of assets due to Covid-19 pandemic situation. As per assessment of the management, the recoverable amount of assets is higher than its carrying value and hence no impairment of assets need to be recorded in the financial statement. Our opinion is not modified in respect of these matters.

Key Audit Matters.

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition, the matters described in the "basis for qualified opinion" and "emphasis of matter" paragraph are by their nature key audit matters.

Responsibility of Management's and Those Charged with Governance for the Standalone Financial Statements.

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as application, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Those board of directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Annexure – B to the Auditors' Report

Report on the Internal Financial Controls under Clause (I) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Kohinoor Foods Limited ("the Company") as of 31st March, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis for Qualified Opinion

We draw attention to paragraph of "Basis for Qualified opinion" of our main report and the same to be read with our comments as stated below:

According to information and explanations given to us and based on our audit, the following material weakness has been identified as at March 31st, 2021.

1. The Company's did not have an appropriate internal control system for

- (a) Customer acceptance;
- (b) Customer credit evaluation;
- (c) Establishing customer credit limit for sales;
- (d) Acceptance of goods by customers and transfer of risk & reward at the time of sales.

This could potentially result in the company recognising revenue without establishing reasonable certainty of ultimate collection.

2. The company did not have any internal control system for follow-up/recovery/adjustment of old outstanding receivables and payables including balance confirmation and reconciliation.

A 'Material weakness' is a deficiency, or a combination of deficiency, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual financial statement will not be prevented or detected on timely basis.

Qualified Opinion

In our opinion, except for the effects/possible effects of basis for qualified opinion, the Company has maintained, in all material respects, adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of the March 31, 2021 standalone financial statements of the Company and these material weaknesses does not affect our opinion on the standalone financial statements of the Company.

NOTES FORMING PART OF THE FINANCIAL STATEMENT

1. Company Information

Kohinoor Foods Limited was incorporated in 1989. It is a Public Limited company listed on the stock exchanges, BSE and NSE. The Company is a leading Basmati Rice player and has a Rice mill situated at Murthal, Sonapat. It also owns a Food Factory situated at Bahalgarh, Sonapat. The products of the company are known for superior quality and are popular worldwide.

The company has two 100% wholly owned subsidiaries –Indo European Foods Limited, in UK and Kohinoor Foods USA Inc in USA.

2. Significant Accounting Policies

(a) Basis of Preparation

These Financial Statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. The financial statements for the year ended March 31, 2018 were prepared by the company under Ind AS for the first time, with 01-04-2016 as date of transition.

The Financial Statements have been prepared on the historical cost convention on going concern basis and on accruals basis unless otherwise stated. The accounting policies are applied consistently to all the periods presented in the financial statements.

(b) Use of Estimates and Judgments

The preparation of Financial Statements requires management to make certain assumptions and estimates that affect the reported amount, the Financial Statements and Notes thereto. Difference between actual results and estimates are recognized in the period in which they materialize.

(c) Property, Plant and Equipment

The Company has adopted revaluation model for land & building. All the assets belonging to these classes of assets are carried at revalued amount being its fair value at the date of revaluation less subsequent depreciation. The Company shall carry out the revaluation of these assets periodically after every 3 to 5 years.

Property, Plant & Equipment under all other classes are stated at cost of acquisition/installation inclusive of freight, duties, and taxes and all incidental expenses and net of accumulated depreciation. In respect of major projects involving construction, related pre-operational expenses form part of the value of assets capitalized. Expenses capitalized also include applicable borrowing costs. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress" and stated at the amount spent up to the date of balance sheet.

Intangible assets are stated at their cost of acquisition.

(d) Depreciation

Depreciation on Property, Plant & Equipment is provided on written down value method, in terms of useful life of the Assets as prescribed in Schedule II to the Companies Act 2013. The depreciation rates which are different from the principal rates specified in Schedule-II are as follows: -

Tarpaulin	100% p.a.
Wooden & Plastic Crates	100% p.a.

(e) Financial Instruments

(1) Financial Assets

Initial recognition and measurement

All financial assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

Subsequent measurement

i) Financial assets carried at amortised cost

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

Investment in Subsidiaries, Associates and Joint Ventures

The Company has accounted for its investments in Subsidiaries, Associates and Joint Venture at cost, subject to impairment loss if any.

Other Equity Investments

All other equity investments are measured at fair value. Investments which are not held for trading purposes and where the Company has exercised the option to classify the investment as Fair Value through other comprehensive income ('FVTOCI'), all fair value changes on the investment are recognised in OCI.

(2) Financial liabilities

Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(3) Derivative financial instruments

Derivative financial instruments such as forward contracts, option contracts and cross currency swaps, to hedge its foreign currency risks are initially recognised at fair value on the date a derivative contract is entered into and are subsequently remeasured at their fair value with changes in fair value recognised in the Statement of Profit and Loss in the period when they arise.

(f) Fair value measurement

The Company classifies the fair value of its financial instruments, FVTPL and FVTOCI, in the following hierarchy, based on the inputs used in their valuation:

- i) Level 1 - The fair value of financial instruments quoted in active markets is based on their quoted closing price at the balance sheet date.
- ii)) Level 2 - The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques using observable market data. Such valuation techniques include discounted cash flows, standard valuation models based on market parameters for interest rates, yield curves or foreign exchange rates, dealer quotes for similar instruments and use of comparable arm's length transactions.
- iii) Level 3 - The fair value of financial instruments that are measured on the basis of entity specific valuations using inputs that are not based on observable market data (unobservable inputs).

(g) Dividend to Equity Shareholders

Dividend to Equity Shareholders is recognised as a liability and deducted from shareholders' equity, in the period in which the dividends are approved by the equity shareholders in the general meeting.

(h) Inventories

Raw materials, traded and finished goods are stated at the lower of cost and net realisable value. Stores and spares are carried at cost.

Cost is determined on FIFO (First in First out) basis for raw material, and on weighted average method for all other categories of inventories. Cost comprises expenditure incurred in the normal course of business in bringing such inventories to its present location and condition, where applicable, include appropriate overheads based on normal level of activity.

(i) Cash and Cash Equivalents

Cash and cash equivalents are short-term, highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

(j) Revenue Recognition

Revenue is measured at fair value of the consideration received or receivable, net of discount, rebate, returns and value added taxes. The Company recognizes revenue when the amount of revenue can be reliably measured; when it is probable that future economic benefits will flow to the entity; and when specific criteria have been met for each of the Company activities.

Revenue from sale of goods is recognised when all the significant risk and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, there is no continuing managerial involvement with the goods and the amount of revenue can be measured reliably. On recognition of revenue the Company retains no effective control of the goods transferred to a degree usually associated with ownership and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods.

Interest income is recognized using the effective interest method. Revenue in respect of Insurance / others claims, Commission, etc. is recognized only when it is reasonably certain that the ultimate collection will be made.

Revenue in respect of sale of licenses, duty drawback and other incentives is recognized on realization basis.

(k) Research and Development

Research expenditure is recognised in the statement of profit and loss as incurred. Development expenditure is capitalised only if the costs can be reliably measured, future economic benefits are probable, the product is technically feasible and the Company has the intent and the resources to complete the project. Development assets are amortised based on the estimated useful life, as appropriate.

(l) Employee Benefits

Contributions to defined provident fund are charged to the statement of profit and loss on accrual basis. Present liability for future payment of gratuity is determined on the basis of actuarial valuation at the balance sheet date and the expenses is charged to the statement of profit and loss.

(m) Foreign Currency Transactions

Transactions in foreign currencies are recognized at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognized in the Statement of Profit and Loss.

Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

(n) Government Grant

Grants from the government are recognised when there is reasonable assurance that the grant will be received and the

Company will comply with all attached conditions. Grant received from government towards property, plant & equipment's acquired/constructed by the Company is deducted out of gross value of the asset acquired/ constructed and depreciation is charged accordingly.

(o) Borrowing Costs

Borrowing costs consist of interest, ancillary and other costs that the Company incurs in connection with the borrowing of funds and interest relating to other financial liabilities. Borrowing costs also include exchange differences to the extent regarded as an adjustment to the borrowing costs.

Interest and other borrowing costs attributable to qualifying assets are capitalised as a part of such assets till such time the assets are ready for use. Other interest and borrowing costs are charged to Statement of Profit and Loss.

(p) Income tax

Current Income Tax:

Current Income Tax is measured at the amount expected to be paid to the tax authorities in accordance with Income Tax Act, 1961.

Deferred Tax:

Deferred tax is provided using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. The tax rates and tax laws used to compute the tax are those that are enacted or substantively enacted at the reporting date.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

Current and Deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity.

Minimum Alternate Tax:

According to section 115JAA of the Income Tax Act, 1961, Minimum Alternative Tax ('MAT') paid over and above the normal income tax in a subject year is eligible for carry forward for fifteen succeeding assessment years for set-off against normal income tax liability. The MAT credit asset is assessed against the Company's normal income tax during the specified period.

(q) Leases

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. ROU assets are depreciated from the commencement date on a straight line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease.

(r) Provisions, Contingent Liability and Contingent Assets

The Company creates a provision when there is a present obligation as a result of past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. A disclosure of contingent liability is made when there is a possible obligation or a present obligation that will probably not require outflow of resources or where a reliable estimate of the obligation cannot be made. Contingent Assets are neither recognised nor disclosed in the Financial Statements.

(s) Impairment of Financial Assets

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financial assets in FVTPL category.

(t) Impairment of Non-Financial Assets

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such Indication exists; the Company estimates the recoverable amount of assets. If such recoverable amount of the assets or the recoverable amount of the cash generating unit to which the assets belong is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of Profit & Loss. If at the Balance Sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the assets is reflected at recoverable amount.

(u) Exceptional Items

Exceptional items are disclosed separately in the financial statements where it is necessary to do so to provide further understanding of the financial performance of the company. These are material items of income or expense that have to be shown separately due to their nature or incidence.

(v) Earnings per share

The Company presents basic and diluted earnings per share data for its ordinary shares. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year. Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares.

(w) Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue.

Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

44. Financial Risk Management

The company has exposure to the following risks arising from Financial Instruments:

- Credit Risk
- Liquidity Risk
- Market Risk

CREDIT RISK

'Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including cash and cash equivalents and deposits with banks and financial institutions.

CREDIT RISK MANAGEMENT

Trade receivable related credit risk

All trade receivable are reviewed and assessed for default on routine basis. Our historical experience of collecting receivables is of significant credit risk.

Other financial assets

The company maintains low exposure in cash and cash equivalents. The Company's maximum exposure to credit risk is the carrying value of each class of financial assets.

LIQUIDITY RISK:

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses.

Maturities of financial liabilities

'The table below analyses the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for all non-derivative financial liabilities.

Commodity Risk

The Company is exposed to the fluctuations in commodity prices. Mismatch in demand and supply, adverse weather conditions, market expectations etc., can lead to price fluctuations. The Company manages these price fluctuations by actively managing the sourcing of the raw material and other products.

- 45 The company was not required to spend any amount in respect of corporate social responsibility (CSR) for current year and for previous year as per section 135 of Companies Act.
- 46 The company has not made any contribution to any political party during current year and previous year.
- 47 During the year no amount of Dividend has been remitted in foreign currency to Non Resident out side India.
- 48 Some of the balances of Debtors and Creditors are subject to confirmation.
- 49 Corresponding figures for the previous year have been regrouped/rearranged, wherever necessary to confirm to current year classification.

50 Impact of Covid-19

The outbreak of Covid 19 has severely impacted business globally including India. The company had some short term impact on operation and recoverability of amount due from Debtors due to Covid 19 and the lockdown imposed by the government. However, it will not have significant long term impact on the operation of the company. The management has made assessment of impairment of assets due to covid 19 pandemic situation. As per assessment of the management, the recoverable amount of assets is higher than its carrying value and hence no impairment of assets need to be recorded in the financial statements.

The above notes form part of the financial statements.

Kohinoor Rice Plants

Kohinoor Food Factory

Independent Auditors' Report

TO THE MEMBERS OF KOHINOOR FOODS LIMITED

Qualified Opinion.

We have audited the accompanying consolidated financial statements of Kohinoor Foods Limited ("the Holding Company"), and its subsidiaries ('the holding company and its subsidiaries together referred to as "the group") which comprise the Consolidated Balance Sheet as at March 31st, 2021, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, **except for the effects/possible effects of the matters described in paragraph under 'Basis for Qualified Opinion'**, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at March 31st, 2021, and its consolidated profit/loss including other comprehensive income, its consolidated cash flows and the changes in equity for the year ended on that date.

Basis for Qualified opinion

- Note No. 39 of the consolidated financial statement discloses the management's assessment of the company's ability to continue as going concern. The management's assessment of going concern is based on Resolution plan and an offer of one time settlement submitted to the banks by the company and the interest shown by prospective investors in the company. However, in view of default in re-payment of borrowings, significant decline of revenue, continuous losses, negative cash flows and negative net worth and due to financial constraints, material uncertainty exists about the company's ability to continue as going concern and the decision of the management of the company to prepare the accounts of the company on going concern basis. There may arise a need to adjust the realizable value of assets and liabilities in the event of failure of assumption as to going concern.
- As stated in note no 28 of the consolidated financial statement, loss of the holding company is understated by Rs 9742.10 lakhs (approx.) due to non-provisioning of interest on bank loans for the financial year 2020-21 (Rs 8296.18 lakhs (approx.) for the year ended March 31st 2020) and aggregating to Rs 23490.56 lakh (approx.) from the date on which the account of the company was classified as NPA to the period covered under audit. Further no provision has been made towards penal interest, any other penalty etc. as may be charged by lenders. In the absence of complete statement of account from the bank, the above amount has been arrived as per calculation made by the company. With the limited information, the aggregate amount not provided in books of account of the holding company is not ascertainable with accuracy.
- In reference to note no. 31 to the consolidated financial statement, during the financial year 2019-20 the management of holding company had made an ad-hoc provision of Rs 5316.36 lakh for bad & doubtful debts on domestic debtors of rice on the ground that debtors were facing financial difficulties due to covid-19 situation. In current financial year 2020-21 management entered into settlement agreement with few debtors and on the basis of such settlement agreement and other estimation made by the management, the actual bad debts come out to be Rs. 5478.46 lakh. The short provision of bad debts amounting to Rs. 162.10 lakh has been written off by the company during the financial year 2020-21. In light of the circumstances such as dispute with debtors, write-off significant debtors as bad debts, goods re-purchased from debtors, and absence of third-party confirmation, we are unable to comment on realizability of amount due from debtors and its possible effect on consolidated financial statement of the company.
- The Management of the holding company has written back balances of few creditors by amounting to Rs 1044.23 lakh. The management of the company has provided confirmation of few creditors. However, in light of the circumstances such as absence of any basis of such balances being written back, non-receipt of confirmation from some creditors, non-receipt of direct confirmations by the auditor from confirming parties, we are unable to comment on actual liability to creditors (including squared up accounts). Further Impact of such balance written back is recognized income under the head exceptional item by amount Rs 852.85 lakh (net of provision for bad debts and balance written off). In the absence of any concrete evidence of written back, we are unable to comment any possible effect on consolidated financial statement of the company.
- During the period under audit, the holding company entered into sale and purchase transactions with the creditors and debtors respectively and has recognized Revenue without negating the effect of re-purchase of goods from debtors and re-sale of

goods to creditors. As per information and explanation given by management, each transaction is a separate transaction and not related to each other as quality of goods sold and purchased are different. However, we have not been provided any quality wise record of sale & purchase. Further it cannot be identified at which point of time performance obligation is satisfied due to uncertainty about transfer of risk & reward, absence of customer specification, absence of acceptance of goods by customer and absence of sales return policy. In light of above circumstances, revenue recognition by the company is not in line with Ind AS 115. Further customer's ability to pay the consideration deteriorates significantly, it indicates the significant changes in fact and circumstances, entity should re-assess the criteria for accounts for contract with customer. In the absence of above records, we are unable to comment its impact on consolidated financial statement of the company.

We have not been provided the audited financial statements/ financial information of USA based subsidiary company M/S Kohinoor Foods USA, Inc. and India based subsidiary company M/S. Sachdeva Brothers Private limited. The management of the holding company consolidated the above financial statements on the basis of unaudited financial statement of these subsidiaries we are unable to comment on adjustment that may have been required to these consolidated financial statements.

Emphasis of Matters

We draw your attention to the following matters in the Notes to the financial statements:

- (1) The company has entered into sale purchase agreement with Herba Foods S.L.U. as on 07th of April 2021 relating to sale of Indo-European Foods Limited, a U.K. based subsidiary company. The total consideration for said deal is GBP 4,376,725 (inclusive of deferred consideration of GBP 566,000). It is the event after the reporting period, that provide evidence of conditions that existed at the end of reporting period. The company has adjusted its impact and recognised as impairment loss on investment by amounting of Rs 441.54 lakh during the reporting period.
- (2) The holding company has not made Provision for the demand raised by various authorities as the matters are pending before various appellate forum. We are unable to comment upon possible impact of non-provision in the Consolidated financial statement for the year ended 31st March 2021.
- (3) In reference to Note No 13 in the consolidated financial statement of the company, the company has allotted 18,30,000 equity shares on conversion of warrant into equity shares issued on preferential basis to its promoters. The company has filed application for listing of 18,30,000 equity shares to both the stock exchange (NSE & BSE). As per information provided by management such application is closed by BSE due to non-submission of documents by the company and due to which these shares are not yet listed. The consequential effect the above, on the consolidated financial statement of the company is not ascertainable.
- (4) We draw attention to Note No. 17 of the consolidated financial statement of the company, that the lead consortium bank Punjab National Bank "erstwhile known as Oriental Bank of Commerce" have filed an application against company under section 7 of the Insolvency and Bankruptcy code, 2016 before National company Law Tribunal (NCLT) Chandigarh bench and the matter is adjourned to next date 11th August 2021. Further, certain operational creditors M/S. Norton Rose Fulbright, M/S. Uma Polymers, International Cargo Terminal & Infrastructure (P) Ltd, International Cargo Terminal & Rail Infrastructure (P) Ltd and JPS Plastic have also filed an application against company under section 9 of the Insolvency and Bankruptcy code, 2016 before National company Law Tribunal (NCLT) Chandigarh bench. However, company has entered settlement agreement for above these operational creditors and said operational creditors have agreed to withdraw the application filed against the company before NCLT subject to realization of their dues.
- (5) Note no. 17 of the consolidated financial statement stating that the company has received Ex-parte Interim Order dated 25-06-2020 from Debt Recovery Tribunal-III, Delhi in the matter of ICICI Bank Vs. Kohinoor Foods Limited restraining the company from transferring/ alienating or otherwise dealing with, or disposing off or encumbering or creating any third-party interest with respect of the hypothecated assets/immovable properties of Company until further orders. In response, the company is contesting the matter and has filed its reply before DRT-III, Delhi, wherein DRT has provided the next date of hearing on 12th August 2021.
- (6) In reference to note no. 43 of the consolidated financial statement which explain management's assessment of impairment of assets due to COVID 19 pandemic situation. As per assessment of the management, the recoverable amount of assets is higher than it carrying value and hence no impairment of assets need to be recorded in the financial statements.

Our opinion is not modified in respect of these matters.

Key Audit Matters.

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition, the matters described in the "basis for qualified opinion" and "emphasis of matter" paragraph are by their nature are key audit matters.

Responsibility of Management's and Those Charged with Governance for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as application, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Those board of directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Other Matter

- (1) We did not audit the annual financial statements of one (1) subsidiary M/S Indo European Food Ltd., whose financial statement/information (before eliminating intra-group balances and transactions) reflects total assets of Rs 11949.54 lacs as at 31 March 2021, total revenues of Rs 22552.54 lacs, total net profit after tax of Rs 2497.69 lacs, and cash outflows (net) of Rs 303.69 lacs for the year ended on that date, as considered in the accompanying Statement. This annual financial statement has been audited by other auditor, whose audit reports have been furnished to us by the management, and our opinion in so far as it relates to the amounts and disclosures included in respect of these subsidiary is based solely on the audit reports of such other auditor.

Our opinion is not modified in respect of this matter with respect to our reliance on the work done by and the reports of the other auditors.

- (2) We did not audit the financial statements of two (2) subsidiaries, whose annual financial statements (before eliminating intra-group balances and transactions) reflect total assets of Rs 3.78 lacs as at 31 March 2021, total revenues of Rs Nil, total net loss after tax of Rs 1.87 lacs and net cash outflow of Rs 0.46 lacs for the year ended on that date, as considered in the accompanying Statement. These annual financial statements are unaudited and have been furnished to us by the Holding Company's management and our opinion on the consolidated financial statement, in so far as it relates to the amounts and disclosures included in respect of aforesaid subsidiaries, is based solely on such unaudited financial statements.

Annexure – A to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2021, we have audited the internal financial controls over financial reporting of Kohinoor Food Limited (hereinafter referred to as "the Holding Company").

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountant of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the ICAI and the Standards of Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain the reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company.

Meaning of Internal Financial Controls Over Financial Reporting

A Holding company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or

procedures may deteriorate.

Basis of Qualified Opinion

We draw our attention to paragraph of "Basis for qualified opinion" of our main report and the same to be read with our comments as stated below:

According to information and explanations given to us and based on our audit, the following material weakness has been identified as at 31st March, 2021.

1. The Holding Company's did not have an appropriate internal control system for

- (a) Customer acceptance;
- (b) Customer credit evaluation;
- (c) Establishing customer credit limit for sales;
- (d) Acceptance of goods by customers and transfer of risk & reward at the time of sales.

This could potentially result in the company recognising revenue without establishing reasonable certainty of ultimate collection.

2. The Holding Company did not have any internal control system for follow-up/recovery/adjustment of old outstanding receivables and payables including balance confirmation and reconciliation.

A 'Material weakness' is a deficiency, or a combination of deficiency, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual financial statement will not be prevented or detected on timely basis.

Qualified Opinion

In our opinion, except for the effects/possible effects of basis of qualified opinion, the holding Company has maintained, in all material respects, adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of the March 31, 2021 consolidated financial statements of the group and these material weaknesses does not affect our opinion on the consolidated financial statements of the group.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENT

1. Basis of Preparation of Consolidated Financial Statement

These Financial Statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. The financial statements for the year ended March 31, 2018 were prepared by the company under Ind AS for the first time, with 01-04-2016 as date of transition.

The Financial Statements have been prepared on the historical cost convention on going concern basis and on accruals basis unless otherwise stated. The accounting policies are applied consistently to all the periods presented in the financial statements.

The financial statements of Kohinoor Foods Limited ("hereinafter referred to as company/ holding company/ parent company") together with its subsidiaries (hereinafter collectively referred to as "Group") are consolidated to form Consolidated Financial Statements (CFS). Consolidated Financial Statements consolidate the financial statements of KFL and its Wholly Owned Subsidiaries listed below

Wholly Owned Subsidiary (WOS)	Country of Incorporation
Sachdeva Brothers Pvt Ltd	India
Indo European Foods Ltd	United Kingdom
Kohinoor Foods USA Inc.	USA

The parent company has not received audited financial statement from its Joint venture company, Rich Rice Raisers LLC. Rich Rice Raisers LLC has closed its operations. KFL has 25% shareholding in this Joint Venture. The Management considers that the parent company is not in position to exercise control over this entity. Hence the results of Joint venture company Rich Rice Raisers LLC are not considered in the Consolidated Financial Statements.

2. Significant Accounting Policies

a Principles of Consolidation:

The financial statements of the parent company and its subsidiary companies are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions in accordance with Accounting Standard (AS)21 "Consolidated Financial Statements".

The results and financial position of all the Group Companies are translated into the reporting currency as follows:

- (i) Current Assets and Liabilities for each balance sheet presented are translated at the closing rate at the date of that balance sheet;
- (ii) Income and expenses for each income statement are translated at average exchange rates.
- (iii) All resulting exchange differences are accumulated in foreign currency translation reserve until the disposal of net investment.

b Use of Estimates and Judgments :

The preparation of Financial Statements requires management to make certain assumptions and estimates that affect the reported amount, the Financial Statements and Notes thereto. Difference between actual results and estimates are recognized in the period in which they materialize.

c Property, Plant and Equipment :

The Group has adopted revaluation model for land & building. All the assets belonging to these classes of assets are carried at revalued amount being its fair value at the date of revaluation less subsequent depreciation. The Group shall carry out the revaluation of these assets periodically after every 3 to 5 years.

Property, Plant & Equipment under all other classes are stated at cost of acquisition/installation inclusive of freight, duties, and taxes and all incidental expenses and net of accumulated depreciation. In respect of major projects involving construction, related pre-operational expenses form part of the value of assets capitalized. Expenses capitalized also include applicable borrowing costs. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress" and stated at the amount spent up to the date of balance sheet.

Intangible assets are stated at their cost of acquisition.

d Depreciation :

Depreciation on Property, Plant & Equipment is provided on written down value method, in terms of useful life of the Assets as prescribed in Schedule II to the Companies Act 2013. The depreciation rates which are different from the principal rates specified in Schedule-II are as follows: -

Tarpaulin	100% p.a.
Wooden & Plastic Crates	100% p.a.

The subsidiaries, IEFL provides the depreciation on following basis: -

Depreciation is calculated as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that assets as follows:

Plant and Machinery	Up to 25 Years
Fixtures and Fittings	15% p.a. reducing balance basis
Computer Equipment & Software	20% p.a straight line basis

e Financial Instruments

(1) Financial Assets

Initial recognition and measurement

All financial assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

Subsequent measurement

i) Financial assets carried at amortised cost

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

Other Equity Investments

Equity investments are measured at fair value. Investments which are not held for trading purposes and where the Company has exercised the option to classify the investment as Fair Value through other comprehensive income ('FVTOCI'), all fair value changes on the investment are recognised in OCI.

(2) Financial liabilities

Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(3) Derivative financial instruments

Derivative financial instruments such as forward contracts, option contracts and cross currency swaps, to hedge its foreign currency risks are initially recognised at fair value on the date a derivative contract is entered into and are subsequently remeasured at their fair value with changes in fair value recognised in the Statement of Profit and Loss in the period when they arise.

f Fair value measurement:

The Group classifies the fair value of its financial instruments, FVTPL and FVTOCI, in the following hierarchy, based on the inputs used in their valuation:

- i) Level 1 - The fair value of financial instruments quoted in active markets is based on their quoted closing price at the balance sheet date.
- ii) Level 2 - The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques using observable market data. Such valuation techniques include discounted cash flows, standard valuation models based on market parameters for interest rates, yield curves or foreign exchange rates, dealer quotes for similar instruments and use of comparable arm's length transactions.
- iii) Level 3 - The fair value of financial instruments that are measured on the basis of entity specific valuations using inputs that are not based on observable market data (unobservable inputs).

g Dividend to Equity Shareholders:

Dividend to Equity Shareholders is recognised as a liability and deducted from shareholders' equity, in the period in which the dividends are approved by the equity shareholders in the general meeting.

h Inventories:

Raw materials, traded and finished goods are stated at the lower of cost and net realisable value. Stores and spares are carried at cost.

Cost is determined on FIFO (First in First out) basis for raw material, and on weighted average method for all other categories of inventories. Cost comprises expenditure incurred in the normal course of business in bringing such inventories to its present location and condition, where applicable, include appropriate overheads based on normal level of activity.

i Cash and Cash Equivalents

Cash and cash equivalents are short-term, highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

j Revenue Recognition

Revenue is measured at fair value of the consideration received or receivable, net of discount, rebate, returns and value added taxes. The revenue is recognized when the amount of revenue can be reliably measured; when it is probable that future economic benefits will flow to the entity; and when specific criteria have been met for each of the activities.

Revenue from sale of goods is recognised when all the significant risk and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, there is no continuing managerial involvement with the goods and the amount of revenue can be measured reliably. On recognition of revenue the Company retains no effective control of the goods transferred to a degree usually associated with ownership and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods.

Interest income is recognized using the effective interest method. Revenue in respect of Insurance / others claims, Commission, etc. is recognized only when it is reasonably certain that the ultimate collection will be made.

Revenue in respect of sale of licenses, duty drawback and other incentives is recognized on realization basis.

k Research and Development

Research expenditure is recognised in the statement of profit and loss as incurred. Development expenditure is capitalised only if the costs can be reliably measured, future economic benefits are probable, the product is technically feasible and the Company has the intent and the resources to complete the project. Development assets are amortised based on the estimated useful life, as appropriate.

l Employee Benefits

Contributions to defined contribution plans are charged to the statement of profit and loss on accrual basis. Present liability for future payment of gratuity is determined on the basis of actuarial valuation at the balance sheet date and the expenses is charged to the statement of profit and loss.

m Foreign Currency Transactions

Transactions in foreign currencies are recognized at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognized in the Statement of Profit and Loss.

Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

n Government Grant

Grants from the government are recognised when there is reasonable assurance that the grant will be received and the Company will comply with all attached conditions. Grant received from government towards property, plant & equipment's acquired/constructed by the Company is deducted out of gross value of the asset acquired/ constructed and depreciation is charged accordingly.

o Borrowing Costs

Borrowing costs consist of interest, ancillary and other costs that the group incurs in connection with the borrowing of funds and interest relating to other financial liabilities. Borrowing costs also include exchange differences to the extent regarded as an adjustment to the borrowing costs.

Interest and other borrowing costs attributable to qualifying assets are capitalised as a part of such assets till such time the assets are ready for use. Other interest and borrowing costs are charged to Statement of Profit and Loss.

p Income tax

Current Income Tax:

Current Income Tax is measured at the amount expected to be paid to the tax authorities in accordance with applicable Income Tax law.

Deferred Tax:

Deferred tax is provided using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. The tax rates and tax laws used to compute the tax are those that are enacted or substantively enacted at the reporting date.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

Current and Deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity.

q Leases

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. ROU assets are depreciated from the commencement date on a straight line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease.

r Provisions, Contingent Liability and Contingent Assets

A provision is created when there is a present obligation as a result of past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. A disclosure of contingent liability is made when there is a possible obligation or a present obligation that will probably not require outflow of resources or where a reliable estimate of the obligation cannot be made. Contingent Assets are neither recognised nor disclosed in the Financial Statements.

s Impairment of Financial Assets

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financials assets in FVTPL category.

t Impairment of Non-Financial Assets

An assessment is made at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such Indication exists; the Company estimates the recoverable amount of assets. If such recoverable amount of the assets or the recoverable amount of the cash generating unit to which the assets belong is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of Profit & Loss. If at the Balance Sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the assets is reflected at recoverable amount.

u Exceptional Items

Exceptional items are disclosed separately in the financial statements where it is necessary to do so to provide further understanding of the financial performance of the company. These are material items of income or expense that have to be shown separately due to their nature or incidence.

v Earnings per share

The Consolidated statement of Profit and Loss presents basic and diluted earnings per share data for the ordinary shares of parent company. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year. Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares.

w Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue.

Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

42 Impact of Covid-19

The outbreak of Covid 19 has severally impacted business globally including India. The company had some short term impact on operation and recoverability of amount due from Debtors due to Covid 19 and the lockdown imposed by the government. However, it will not have significant long term impact on the operation of the company. The management has made assessment of impairment of assets due to covid 19 pandemic situation. As per assessment of the management, the recoverable amount of assets is higher than its carrying value and hence no impairment of assets need to be recorded in the financial statements.

For subsidiary company Indo European Foods Ltd, the business experienced a surge in demand in March 2020 due to Covid-19. Covid has had a positive impact on its trading for March-2020. FY 21 has been a unique year weighed down by the Covid-19 virus globally. Overall, the effect on the UK Food sector was a positive one on the eat-in at home demand whereas the foodservice sector was severely affected being restricted mostly to takeaway or delivery options for most of the year. The Company continues to watch the supply chains very closely to see any possible disruption in its trading operations.
